ARTICLE I

INTRODUCTION

Section 1. Entire Agreement.

This Contract sets forth a complete agreement between the City of Cleveland (hereinafter referred to as the “City”) and Teamsters Union, Local 507 affiliated with the International Brotherhood of Teamsters (hereinafter referred to as the “Union”) which represents employees as specified herein. Specifically, the Agreement addresses all matters pertaining to wages, hours, or terms and other conditions of employment mutually expressed between the parties.

Section 2. Pronouns/Plurals.

The male pronoun or adjective where used herein refers to the female also unless otherwise indicated. The term “employee” or “employees” where used herein refers to all employees in the bargaining unit. The purpose of this Contract is to provide a fair and reasonable method of enabling employees covered by this Contract to participate, through Union representation, in the establishment of the terms and conditions of their employment, and to establish a peaceful procedure for the resolution of contract differences between the parties. This Contract shall comply with the laws of the United States, the State of Ohio, and the City of Cleveland and all applicable governmental administrative rules and regulations which have the effect of law.

ARTICLE II

RECOGNITION

Section 1. Scope of Bargaining Unit.

The Union is recognized as the sole and exclusive representative for all tested seasonal employees in the following job classifications who have successfully passed an entry-level civil service examination for a full-time position that is equivalent to the employee’s initial bargaining unit position for the purpose of establishing rates of pay, wages, hours, and other conditions of

employment, but excluding all supervisors (as defined in Chapter 4117 Ohio Revised Code) and security employees.

Section 2. Inclusions.

The Union's exclusive bargaining unit includes the following job classifications and the City will not recognize any other union as the representative for any employees within such classifications:

- Concrete Mixer Driver
- Tanker Truck Driver
- Truck Driver (all classifications)
- Tow Truck Operator
- Tractor Driver
- Street Equipment Maintenance Specialist
- Street Equipment Maintenance Leadman (working)
- Street Carry All Driver
- Waste Collection Driver
- Ground Maintenance Driver I
- Ground Maintenance Driver II
- Snow Removal Vehicle Operator

Section 3. Exclusions.

The following positions and employees holding positions in these areas are specifically excluded from any bargaining unit:

- (A) Mayor's Office
- (B) Department of Personnel
- (C) Civil Service Commission
- (D) Law Department
- (E) Budget and Management Office
- (F) Persons functioning as Secretaries to Commissioners and Directors
- (G) Professional Employees
- (H) Confidential Employees
- (I) Classifications which formulate policy

- (J) Responsibly directs the implementation of Management policy.

ARTICLE III

MANAGEMENT RIGHTS

Section 1. Listing of Rights.

Except as specifically limited herein, all rights are reserved to and remain vested in the City, including, but not limited to the sole right to:

- A. Determine matters of inherent managerial policy which include, but are not limited to, areas of discretion of policy such as the functions and programs of the City, standard of services, its overall budget, utilization of technology and organizational structure. Moreover, the City shall have the right to privatize or subcontract services in accordance with the procedures and standards specified in Section 3 of this Article;
- B. Direct, supervise and evaluate or hire employees, and to determine when and under what circumstances a vacancy exists;
- C. Maintain and improve the efficiency and effectiveness of City operations and to require employees to use or refrain from using specified uniforms or other tools of duty;
- D. Determine the overall methods, process, means, or personnel by which City operations are to be conducted. Moreover, the City shall have the right to establish specialized pick-up routes (e.g., for recycling, etc.) with two-man crews, special route territories, and special work hours, subject to prior negotiations with Laborers' Local 860 and Teamsters Local 507;
- E. Suspend, discipline, demote, or discharge for just cause, or lay off, transfer, assign, schedule, promote or retain employees;
- F. Determine the adequacy of the work force;
- G. Determine the overall mission of the City;
- H. Manage the work force; and
- I. Take actions to carry out the mission of the public employer as a governmental unit.

Section 2. Non-Negotiation.

Notwithstanding Section 4117.08 of the Ohio Revised Code, the City is not required to bargain on any subjects - including but not limited to those enumerated above - reserved to and retained by the City under this Article. Therefore, the Union agrees that during the life of this Agreement, the City shall have no obligation to bargain collectively with respect to the exercise of any rights reserved to and retained by it pursuant to either Section 4117.08(C) of the Revised Code or pursuant to this Agreement.

Section 3. Subcontracting/Privatization.

The City shall have the right to privatize or subcontract services. For subcontracting which would result directly in the layoff of employees, the City's right to subcontract or privatize services shall be based upon the following procedures and standards:

- A. The City shall have the right to institute competitive initiatives or subcontract services where the City's primary objective is to achieve financial economy, improved operating efficiency, and/or better quality of service. Sixty-five (65) days prior to initiation of any bid procedure, the City shall meet and confer with the Union on no less than a weekly basis to determine if there are methods of improving operating efficiency and reducing the cost of providing City service. Prior to the meetings, the City shall provide the Union with information sufficient to allow the meetings to proceed in a productive fashion, including the cost of the work being performed and the problems with efficiency or productivity which the City would like to address.
- B. At the conclusion of the meetings, the City and the Union shall calculate the cost and evaluate the methods of providing services. Upon review by the City, if the alternative yields financial savings, improved operating efficiency, and/or a better quality of service genuinely equivalent to or greater than those the City can achieve through subcontracting, the City shall accept the Union's alternative instead of utilizing an outside bidder/vendor; although, to insure meaningful substantive evaluation, the City will be permitted to prepare bid documents during the initial sixty-five (65) day meeting period set forth above and to utilize the bid procedure immediately upon completing the sixty-five (65) day meeting period.
- C. If the City informs the Union that the alternative does not sufficiently meet the City's objective as stated in Paragraph 1 above, then the City and the Union will continue to work cooperatively for not less than twenty (20) days after the conclusion of the bidding process (which ends on the day the City shares the lowest

bid for and initiative with the Union, after which the City may exercise its contractual rights to implement the proposed initiative).

- D. Should the City decide to implement a competitive initiative, the City will make a good faith effort to assign displaced employees to vacant positions for which they are qualified or can be trained to become qualified within a reasonable period of time.
- E. The City and the Union agree that if there is a disagreement regarding the above, including over the true value of the Union's competitive alternative (financial savings, improved efficiency, quality of service), the Union will have the right to submit the issue of whether or not the Union's alternative "genuinely" meets or exceeds the City's objective to final and binding arbitration by requesting arbitration with the American Arbitration Association within fourteen (14) days of the expiration of the sixty-five (65) day meet and confer period.

ARTICLE IV

UNION RIGHTS

The rights of the Union are specifically listed in this Contract.

Section 1. Representation.

An employee has the right, upon his request, to the presence and advice of a Union Steward or Officer at any disciplinary hearing.

Section 2. Review Records.

An employee shall, upon request, be permitted to review all his/her personnel records files, except reference letters, in the presence of appropriate supervision and he/she may initial and date the contents found therein. Only copies of letters of discipline, evaluations, and commendations shall be made available to the employee at the time of issuance. However, any materials in the employee's personnel record which have not been seen or signed by him/her or which are more than three (3) years old at the time discipline is being considered shall not be used against him/her. The signing of any materials to be placed in an employee's personnel record does not indicate agreement by the employee as to the contents of the material but does acknowledge he/she has seen it.

Section 3. Crossing Picket Line.

It shall not be a violation of this Contract and it shall not be a cause for discharge or disciplinary action if any employee refuses to enter upon any property involved in a primary labor dispute, refuses to go through or work behind any lawful primary picket line, or refuses to do work normally done by primary striking members of another union, except that the City shall not be required to pay the wages of any such employees. Provided that in no case shall any employee refuse to work, regardless of the existence of a lawful primary labor dispute, if, in the City's judgment, such refusal would be detrimental to the public health or safety unless the City cannot reasonably provide for the personal safety of the employees.

ARTICLE V

NO STRIKE - NO LOCKOUT

Section 1. No Strike.

The Union shall not, directly or indirectly, call, sanction, encourage, finance, and/or assist in any way; nor shall any employee instigate or participate, directly or indirectly, in any strike. For purposes of this Section, "strike" means concerted action in failing to report to duty; willful absence from one's position; stoppage of work; slowdown or abstinence in whole or in part from the full, faithful, and proper performance of the duties of employment for the purpose of inducing, influencing, or coercing a change in wages, hours, terms and conditions of employment for the duration of this Contract or any extension thereof.

Section 2. Discipline for Violations.

The City reserves the right to discipline for any illegal strike action or violation of this provision. Violations of this Paragraph may constitute an Unfair Labor Practice as determined and remediable by the State Employment Relations Board. In the event an Unfair Labor Practice is

determined by SERB, the City will not subsequently impose discipline except as recommended by SERB.

Section 3. No Lock-Out.

The City shall not lock out any employees for the duration of this Contract.

ARTICLE VI

NON-DISCRIMINATION

The City and the Union hereby affirm their commitments, legal and moral, not to discriminate or retaliate in any manner relating to employment, including but not limited to, on the basis of race, color, creed, national origin, age (for those age 40 or older), sex (including sexual orientation, gender identity and expression), disability, genetic background, veteran status, or any other characteristic protected by law.

ARTICLE VII

UNION SECURITY AND CHECK-OFF

Section 1. Union Membership.

All employees in the bargaining unit covered by this Contract who are members of the Union on the date the Contract is signed, and all other employees in such bargaining unit who become members of the Union at any time in the future, shall continue to be members of the Union and the City will not honor dues deduction (check-off) revocations from any such employees except as provided herein.

Section 2. Dues Deductions.

The City will deduct regular initiation fees and monthly dues from the pay of employees in the bargaining unit covered by this Contract upon receipt from the Union of individual written authorization cards voluntarily executed by an employee for that purpose and bearing his signature.

Provided that --

- A. An employee shall have the right to revoke such authorization by giving written notice to the City and the Union.
- B. The City's obligation to make deductions shall terminate automatically upon timely receipt of revocation of authorization or upon termination of employment or transfer to a job classification outside the bargaining unit.
- C. Deductions under Article VII shall be made during the second pay period of each month, but if an employee's pay for that period is insufficient to cover the Union dues, the City will make a deduction from the pay earned during the next pay period.
- D. All deductions under Article VII, accompanied by an alphabetical by department list of all employees from whom deductions have been made, shall be transmitted to the Union no later than the fifteenth (15th) day following the end of the pay period in which the deduction is made and upon receipt, the Union shall assume full responsibility for the disposition of all funds deducted.
- E. Where an individual in a classification not in the bargaining unit is temporarily assigned to a position within the bargaining unit, the Union shall be entitled to assess a pro-rata service fee upon such temporarily assigned employee based upon the amount of time the employee is in the bargaining unit position. The service fee shall be a fraction of the monthly Union fees with the days the employee is temporarily assigned on the numerator and the number of days in the affected month as the denominator.

ARTICLE VIII

UNION REPRESENTATION

Section 1. Selecting Stewards.

The City recognizes the right of the Union to select Stewards to represent the employees, upon request, on grievances concerning the interpretation or application of this Contract.

Section 2. Responsibilities of Stewards.

Stewards shall process grievances with proper regard for the City's operational needs and work requirements and shall cooperate in good faith with the City in keeping to a minimum the time lost from work due to grievance handling. If a Steward fails or refuses to comply with this requirement, the City retains the right to impose disciplinary action, if proven.

Section 3. Identifying Stewards.

The Union shall furnish annually to the City's Labor Relations Office with a written list of Stewards indicating the Department and shift to which each is assigned and, further, shall promptly notify the City's Labor Relations Office in writing of any changes herein.

Section 4. Access to Bulletin Board.

The City shall provide the Union with a bulletin board at mutually selected locations. Provided that --

- A. No notice or other writing may contain anything political or critical of the City or any City official or any other institution or any employee or other person.
- B. All notices or other materials posted on the bulletin board must be signed by the Secretary-Treasurer of the Union or an official representative of the Union.
- C. Upon request from the appropriate Commissioner or his designee, the Union will immediately remove any notice or other writing that the City believe violates this

provision, but the Union shall have the right to grieve such action through the Grievance Procedure.

ARTICLE IX

UNION VISITATION

The non-employee representative of the Union shall be admitted to the City's facilities and sites during working hours upon reasonable advance notice to the appropriate Appointing Authority or his office. Such visitations shall be for the purpose of ascertaining whether or not this Contract is being observed by the parties, to participate in the adjustment of grievances, or to attend other meetings as provided herein. At no time shall such visitation rights interfere with the work requirements of any employee or disrupt operations in any way, unless expressly permitted by the City.

ARTICLE X

PROBATIONARY PERIOD

Newly hired bargaining unit employees shall be placed on probation for a period of six (6) months. Said period may be extended an additional thirty (30) calendar days on the mutual written agreement of the parties. Such employees shall be required to pass successfully during the first one hundred eighty (180) days of employment, an entry-level civil service examination for the position they were hired into as a condition of employment beyond their probationary period. The initial and promotional probationary periods are served by employees as working days. All approved leaves of absence will not count as work days for purposes of calculating a probationary period. Bargaining unit employees may be discharged during their probationary period without recourse to the grievance procedure.

ARTICLE XI

SENIORITY

Section 1. Job Classification Seniority.

Job classification seniority shall be defined as an employee's full-time or seasonal length of service while holding the same classification regardless of whether his Civil Service status is that of a Temporary Appointment or Regular (Legal). The employee shall receive credit for all full-time, part-time, and seasonal time spent on the City's payroll in that classification. Job classification seniority would be used to determine: (a) permanent lateral transfer and shift bids within the same job classification; and (b) layoffs and recalls as determined by Article XII.

Section 2. City Employment Seniority.

City employment seniority shall be defined as an employee's continuous length of service, effective from his date of hire, in accordance with Civil Service Rules. City employment seniority would be applied for the purpose of accruing such benefits as vacation, longevity, and accrued sick leave.

Section 3. Bargaining Unit Seniority.

Bargaining unit seniority is defined as an employee's continuous length of service within one (1) or more job classifications within the bargaining unit. Bargaining unit seniority shall be a factor in filling certain vacancies under Addendum II.

Section 4. Bidding Rights.

New part-time employees who have not previously worked for the City in this bargaining unit shall obtain bidding rights after completion of their probationary period in regards to bidding into full-time positions. It is understood after the completion of a season or when a part-time/seasonal bid becomes available to transfer to another division that would give an employee

the ability to continue working year around, he or she shall have the right to bid on such position regardless of if he/she is on probation or not.

Section 5. Seniority Tie-Breaker.

Seniority for employees hired on the same day shall start with the highest number for the last four digits of the person's social security number in odd numbered years. In even numbered years, the lowest numbers shall be first.

Section 6. Termination of Seniority.

City employment seniority shall be terminated when an employee:

- A. resigns;
- B. is discharged for just cause;
- C. is laid off for more than twenty-four (24) consecutive months;
- D. is absent without notifying the City for three (3) consecutive working days; or
- E. fails to report for work within ten (10) consecutive working days from the date on which the City sends the employee notice by certified mail that he has been recalled from layoff.

When permitted by law, City employment seniority shall be suspended for unpaid non-FMLA leaves of absence in excess of sixty (60) calendar days.

Section 7. Employee Contact Information.

Employees are obligated to keep the City apprised of their current address and current telephone number. The City will give employees seven (7) days from the date of ratification of the 2022-25 Agreement to update their existing contact information. Thereafter, the City may rely on the last address and telephone number supplied by an employee. The City will provide the Union, upon request, with a list of all employees in the bargaining unit listing name, job classification, date of hire, and date of classification.

Section 8. Seasonal Seniority.

Employees performing the responsibilities of Waste Collection Driver, Ground Maintenance Driver II, Truck Driver and Airport Maintenance Worker will receive first preference for hiring within the respective full-time job classification over outside job applicants and full-time employees that work outside the classification where the vacancy exists, provided that the employee has successfully completed an entry-level civil service test in that position before the bid notice is posted.

ARTICLE XII

BID PROCEDURE

The procedures under this Article shall apply in the following circumstances: (1) the bid is posted in the middle of a season and would result in the bargaining unit employee moving to another division or changing job responsibilities within the same division; (2) the bid is posted for a different season and the bargaining unit employee previously has not performed the responsibilities of that position; or (3) the bid is posted for the same season that the bargaining unit employee previously has worked, but the bargaining unit employee has not performed the responsibilities of that position. A bargaining unit employee's return to a position previously performed shall be administered under the Article XIII layoff and recall procedures. The Bid Procedure and Recall Procedure shall be utilized within the bargaining unit first, before filling any vacancies within the bargaining unit with non-bargaining unit members.

Section 1. Posting Procedures.

Whenever Management determines there is a vacancy within the bargaining unit, the City shall post a bid notice within the division where the vacancy exists and will provide the Union with a copy at the time of posting.

- A. The bid notice shall contain the classification, job description, minimum qualifications as determined by Civil Service, shift and salary or pay band.

- B. The bid notice shall be posted for seven (7) consecutive days.
- C. Employees who meet the minimum qualifications may fill out job bidding forms, with a copy provided to the employee.
- D. Ten (10) days thereafter, a notice shall be posted stating who, if anyone, has been awarded the position and a copy of such information shall also be sent to the Union Hall.

Section 2. Posting in Other Divisions.

Bid notices will be posted in other divisions within the department and other departments within the bargaining unit. Job bids will be awarded to employees from other divisions and departments in accordance with bargaining unit seniority, provided:

- (a) employees within the division where the vacancy exists will be awarded the bid based on bargaining unit seniority within the job classification before considering employees outside the division; and
- (b) the selected employee has satisfied the requirements of Article XI, Section 8.

Section 3. Vacancies Subject to Posting.

A. Vacancies Filled by Employees within the Division.

Bid notices shall be posted for the following vacancies as they are determined by the City:

1. **Lateral Transfers:** A vacancy in a work location to be filled by a bargaining unit employee from another work location within the same job position and division.
2. **Shift Bids:** A vacancy on a shift to be filled by a bargaining unit employee from a different shift and/or from another work location within the same job position and division.
3. **Internal Bids:** A vacancy that covers a different job position, responsibilities, or job classification within the same operating division as the full-time employee submitting the bid.

Lateral transfers and shift bids shall be awarded to the employee within the division where the vacancy is located with the most bargaining unit seniority within

the job classification, and internal bids shall be awarded to the employee within the division where the vacancy is located with the most bargaining unit seniority within the job classification if the bid involves a different job position or responsibilities within the same job classification or by bargaining unit seniority if the bid involves a different job classification, provided the employee has satisfied the requirements of Article XI, Section 8. The City reserves the right under special circumstances to choose the most qualified employee.

B. Vacancies Filled by Employees Outside the Division.

Once bids have been posted within a division and a vacancy still exists, the City shall then post the vacancy to other divisions within the bargaining unit. These types of positions will be awarded to employees bidding outside of the division where the vacancy exists with the most bargaining unit seniority, provided the employee has satisfied the requirements of Article XI, Section 8. The City reserves the right under special circumstances to choose the most qualified employee.

C. Vacancies in the Full-Time Employees Bargaining Unit.

Bargaining unit employees who wish to bid on vacancies within the full-time employees bargaining unit shall be subject to the procedures in Article XIII of the full-time employees Collective Bargaining Agreement.

Section 4. Return Deadline.

If an employee is awarded a bid that results in a change in job classification or job responsibilities, he/she shall receive up to fourteen (14) days after starting work in the changed job classification or job responsibilities to return to his/her previous job classification or job duties without any loss of seniority, provided that a vacancy exists in

his/her job position. Such employee shall be ineligible to bid on any other position for a one (1) year period following such return.

Section 5. Filling Bidding Employee's Former Position.

When an employee has been awarded a position in accordance with the above procedure, that employee's previous position shall not be considered a vacancy, although an Appointing Authority may post a bid notice for that position if he/she deems it appropriate.

Section 6. Temporary Assignments/Transfers During Bid Process.

In order to provide continuity of service while filling a job opening, the City shall have the right to exercise Article XIII temporary assignment, to fill openings and make transfers on a temporary basis pending the selection of employees for a job under these provisions.

ARTICLE XIII

LAYOFFS AND RECALLS

Section 1. Layoff Procedures.

A. Order of Layoff.

Whenever it is necessary to reduce the working force of the City, either for lack of work or lack of funds, tested seasonal employees shall be laid off based upon bargaining unit seniority within the affected classification within their division.

B. Notice of Layoff.

Seasonal employees shall be given a minimum of ten (10) calendar days' advance written notice of layoff indicating the circumstances which make the layoff necessary. Exceptions to the above will be provided for by mutual consent between the City and the Union.

C. Reassignment to Avoid Layoff.

Before any bargaining unit employee is given notice of layoff under the above paragraphs, the City and the Union will meet immediately for the purpose of attempting to find an available job within the City within the bargaining unit, which the affected employee is qualified to perform, and if any such job is available, the employee will be given the option of accepting it rather than being laid off. The Union shall receive a copy of all such layoff notices.

Section 2. Recall Procedures.

Employees shall be recalled in the reverse order of layoff in accordance with the rules and regulations of Civil Service. An employee on layoff will be given ten (10) working days' notice of recall from the date on which the City sends the recall notice to the employee by certified mail to his last known address (as shown on the City's records). A laid off employee will be recalled to his legal position with full rights in the event that this position becomes available within two (2) years after his layoff date. However, an employee who is recalled to the same classification but who refuses the job, shall be removed from the layoff list and shall forfeit all seniority rights, including recall rights.

ARTICLE XIV

ASSIGNMENT OF WORK - TEMPORARY TRANSFER

All employees shall be required to perform any and all temporarily assigned duties, regardless of their usual or customary duties or job assignment.

Section 1. Duration, Reasons and Posting.

A. Duration and Reasons.

A temporary transfer shall not exceed thirty (30) working days in a calendar year - (1) to fill a vacancy caused by an employee being on sick or other approved leave of

absence where the City is not prohibited by law from filling the vacancy; (2) to provide vacation relief scheduling; (3) to fill an opening temporarily pending permanent filling of such opening; or (4) to meet an emergency situation (an impairment of City services which cannot be delayed until the beginning of the next regular workday).

B. Posting.

For purposes of this provision, an emergency is defined as an impairment to City services or operations which cannot be delayed until the beginning of the next regular work day or shift. If an adequate number of employees have not volunteered to work in an emergency situation, the City shall require those employees with the lowest seniority to fill the number of vacancies to accomplish the said tasks.

D. Priority of Assignment Requests.

(1) In the event of holdover or contiguous overtime, if a crew's unit leader or supervisor determines that the Local 507 bargaining unit employee is needed to complete a job, that bargaining unit member assigned to the crew or assignment shall have first option of working the required overtime hours.

(2) If the Local 507 bargaining unit member individually decides to forego that specific overtime opportunity, the City will then have the right to use a non-bargaining unit employee, who is a member of the crew present at the work

(5) A steward shall be present, on a rotation basis, when three (3) or more members are working in an overtime situation

(6) When an employee moves from one division to another to perform bargaining unit work, it shall be done in accordance with job classification seniority, with bargaining unit seniority being the tiebreaker if two or more employees have the same job classification seniority.

E. Overtime Rotation.

1. The City shall rotate overtime opportunities among qualified full-time employees who normally perform the work that is being assigned for overtime. The City agrees to maintain overtime rosters on a quarterly basis which shall be made available to the employees and steward upon request.

Said rosters shall include a list of overtime hours worked, refused, negative contact, and total hours of overtime offered.

2. An employee who is offered and does not accept an overtime assignment shall be credited on the roster with the amount of overtime offered. Overtime shall be offered on the basis of overtime hours accrued for that calendar year, starting on January 1.
3. Where the situation arises where two or more members have accrued the same amount of overtime hours in the classification, seniority shall be the deciding factor, starting with the most senior employee in the classification and then proceeding down the list.
4. Employees entering a Division at any time during a calendar year shall be credited with the highest amount of overtime of any employee in the division.
5. When the City is unable to contact an employee due to the employee's failure to respond to an attempted communication, the employee shall be credited on the roster with the amount of overtime is offered. Upon request of the Union, the city shall provide documentation of efforts to contact the employee.
6. Where the City has advance knowledge of its need for overtime, it will notify employees prior to the end of the shift of the need to work overtime.

GRIEVANCE PROCEDURE

Section 1. Purpose.

It is mutually agreed that the prompt adjustment of grievances is desirable in the interest of sound relations between the employees and the City. The prompt and fair disposition of grievances involves important and equal obligations and responsibilities, both joint and independent, on the part of the representatives of each party to protect and preserve the Grievance Procedure as an orderly means of resolving grievances. It is the intent of the City and the Union to share information pertaining to grievances at all steps of the Grievance Procedure.

Section 2. "Grievance" Defined.

A grievance is defined as a dispute or difference between the City and employee(s) or the City and the Union concerning the interpretation and/or application of and/or compliance with any provision(s) of this Contract, including any and all disciplinary actions. A Group Grievance is a grievance filed by a group of employees relating to a single common issue or event covered by this Contract. Section 3. Contents of Grievance.

It is understood that a written grievance may be amended by the Union at any time during the Grievance Procedure. However, all amendments must be presented prior to the start of the Step 3 meeting at which the amended grievance is to be heard, except in the case of grievances which begin at Step 3, in which case all amendments must be presented not later than thirty (30) calendar days prior to arbitration.

Section 4. Expedited Discharge/Wage Rates Grievances.

It is important that the employee's grievance(s) regarding unjust or discriminatory discharges, or wage rates/step placement be handled promptly. Therefore, all such grievances shall be reviewed through the Grievance Procedure beginning at Step 3 within ten (10) working days as in Step 1.

Section 5. Grievance Steps.

Step 1: When a grievance arises, the following procedure shall be followed: An employee who believes he has a grievance has a right to notify his Union representative of the situation and to discuss the alleged violation. This discussion shall take place with regard for the City's operational needs, but as soon as is reasonably possible. The grievance shall be reduced to writing and presented to the Commissioner or Appointing Authority or his designee within ten (10) working days of the event(s) giving rise to said grievance. The Commissioner or Appointing Authority or his designee shall meet with the Steward and Union Officer within five (5) working days from the date of receipt of the grievance in an effort to resolve the grievance. Within ten (10) working days after this meeting, the Commissioner or Appointing Authority or his designee shall give a written answer to the Steward and Union officer. Each grievance shall be answered separately. The answer shall set forth in detail the settlement reached between the parties and shall include the grievance number, grievant's name, and the date of the grievance hearing. Agreement on this settlement shall be noted by both parties, in writing, on the grievance answer. In the event the grievance is not resolved, the answer shall set forth in detail the reason or reasons for the denial of the grievance.

Step 2: If the grievance is not satisfactorily settled at Step 1, it shall be presented in writing to the employee's Director or his designee within ten (10) working days of the receipt of the Step 1 answer. Within five (5) working days thereafter, the Director or his designee shall meet with the Local Union officer. Within ten (10) working days after the Step 2 meeting, the Director or his designee shall give a written answer, as defined in Step 1, to the Local Union officer.

Step 3: If the grievance is not satisfactorily settled at Step 2, it shall be presented in writing to the City's Labor Relations Representative, with a copy to the affected Director or his designee, within ten (10) working days after receipt of the Step 2 answer. The City's Labor Relations Representative and the Union's Representative will mutually agree on a date for a meeting for the purpose of considering grievances. A complete agenda for all grievances appealed in writing to Step 3 will be provided by the Union prior to each meeting. Within thirty (30) calendar days of the Step 3 meeting, the City's Labor Relations Representative shall give a written answer, as defined in Step 1, to the Union's Representative.

Step 4: If the grievance is not satisfactorily settled at Step 3, the Union may, within thirty (30) calendar days in the case of grievances appealing an employee discharge, and within thirty (30) working days in the case of all other grievances, submit the matter to final and binding arbitration. The Union shall notify the City of its intent to arbitrate the grievance. Within ten (10) calendar days thereafter, the parties shall meet and attempt to mutually agree upon an arbitrator. If no agreement can be reached, the Union shall, within ten (10) calendar days after the meeting, notify the Federal Mediation and Conciliation Service (FMCS) and the City at the same time of its intent to arbitrate the grievance. The fees and expenses of the arbitrator shall

be borne equally by the City and the Union. Furthermore, the aggrieved employee, his Union representative, and any necessary witness(es) shall not lose any regular straight time pay for time off the job while attending an arbitration proceeding. The Union will provide the City with twenty-four (24) hours' advance notice of employees required to testify.

Section 6. Expedited Arbitration for Discharges/Suspensions.

The parties may, by mutual agreement, choose to have a grievance involving suspension or discharge arbitrated on an expedited basis. The expedited arbitration will be conducted pursuant to the rules of the American Arbitration Association and the fees and expenses of such proceeding, including those of the Arbitrator, shall be borne equally by the City and the Union.

Section 7. Authority of Arbitrator.

In the event a grievance goes to arbitration, the arbitrator shall have jurisdiction only over disputes arising out of grievances as the interpretation and/or application and/or compliance with the provisions of this Contract, including all disciplinary actions. In reaching his decision, the arbitrator shall have no authority: (1) to add or to subtract from or modify in any way of the provisions of this Contract; (2) to pass upon issues governed by law; or (3) to make an award in conflict with law. The arbitrator shall be limited to disputes arising under the Contract and shall have no jurisdiction to decide any claims arising under any statute. The arbitrator shall issue a decision within thirty (30) calendar days after submission of the case to him.

Section 8. Determination of Arbitrability.

In instances where the City objected to arbitration and the Union chose to proceed, the first question to be placed before the arbitrator will be that of arbitrability. If the arbitrator determines that the grievance is within the purview of arbitrability, the grievance will be heard on its merits before the same arbitrator.

Section 9. Final and Binding Effect of Arbitrations/Settlements.

All decisions of arbitrators and all pre-arbitration grievance settlements reached by the Union and the City shall be final, conclusive and binding upon the City, the Union and the employees. Provided that a grievance may be withdrawn by the Union at any time during the Grievance Procedure and the withdrawal of any grievance shall not be prejudicial to the positions taken by the parties as they relate to that or any other grievance.

Section 10. Timeliness.

For purpose of this Section, timeliness is counted as working days from the date of the incident or the date expressed on the face of either the answer or the appeal notice, as applicable. Extensions of time limits shall be by mutual agreement and must be verified in writing and signed by both parties. The date of occurrence of the event causing time to run is not counted in the time limit. If the last date of a period is not a regular business day, the time period runs through the end of the next regular scheduled business day. A grievance that is not timely filed or appealed to the next step shall be considered null and void. The Union may advance to the next step of the grievance procedure any grievance for which there is not a timely response.

ADDENDUM I

DRUG/ALCOHOL TESTING

All employees who are required to be randomly tested under law (e.g. Department of Transportation regulations regarding employees required to have a Commercial Driver's License who drive vehicles in excess of 26,000 pounds), and all employees in Safety Sensitive Positions shall be subject to random drug/alcohol testing. Additionally, an employee involved in any accident resulting in personal injury or one thousand dollars (\$1000.00) or more of property damage shall submit to post-accident drug/alcohol testing. Such testing shall be conducted in accordance with the DOT procedures. Further, when there is a reasonable suspicion to believe that an individual employee is using illegal drugs or alcohol at work or is under the influence of drugs or alcohol at work, such employee will be directed to report to a City-designated physician or medical clinic, on City time and at City expense, for a fitness-for-duty examination. Random examinations, reasonable suspicion examinations, and post-accident examinations are conducted for the purpose of determining the presence of illegal drugs or alcohol in the employee tested. An employee who is directed to submit to such examinations shall report to a City-designated physician or medical clinic, on City time and at City expense. The City's Manager of Labor Relations, or his designee, shall approve all drug/alcohol testing. This testing will include possible urine, blood, or breathalyzer exams as determined by the appropriate medical personnel. An employee who refuses to submit to drug/alcohol testing under the provisions herein shall immediately be charged with insubordination and will be subject to discharge. An employee who fails a drug or alcohol test for the second time during his/her employment with the City shall be discharged by the City.

An employee may be referred to fitness-for-duty screening if at least one (1) supervisor has a reasonable suspicion that the employee is then under the influence of alcohol or a controlled chemical substance. The circumstances supporting an allegation warranting reasonable suspicion testing shall be reduced to writing, signed by the supervisor, and copies provided to the employee and Union prior to testing. The demand for a urine, blood or breath specimen should be based only upon specific/objective facts and reasonable inferences drawn from those facts in light of experience that the employee is then under the influence of drugs or alcohol. In addition, employees may be referred for mandatory urine, blood, or breath, for drug and/or alcohol screening under the following circumstances:

- (a) A disciplinary probation for employees who have violated the City's drug and alcohol rules; or
- (b) For employees returning from leaves of absence if they have given management a reason to suspect possible illegal drugs and/or alcohol abuse. Possible reasons to suspect substance abuse include, but are not limited to, a history of excessive absenteeism not related to a specific illness, documented evidence of deteriorating job performance or of aberrant behavior in the six months immediately preceding the leave of absence or documented involvement with drugs off the job.

An employee shall be entitled to have a Union representative present before testing is administered unless a Union representative is unavailable when the test is to be conducted and any further delay will potentially compromise the validity of the test results.

As concerns urine samples for drug testing, employees to be tested will undergo an initial screening (EMIT) test. For any positive results, a confirmatory test employing the gas chromatography/mass spectrometry (GC/MS) test will be used. The City will ensure that there is a continuous chain of custody of any sample taken from an employee. Specimen collection will occur in a medical setting. The testing procedures should not demean, embarrass or cause physical discomfort to employees. Altering or switching a specimen sample for a drug/alcohol test, or otherwise refusing to follow the established testing procedure and/or guidelines, shall be grounds for immediate suspension pending discharge.

The results of any drug or alcohol screening test will be kept strictly confidential. An employee who tests positive for drugs and/or alcohol will have the opportunity to review the test results and, if desired, a reasonable opportunity to rebut the results. Copies of test results shall be given to the City and to the individual tested. Where urine, blood or other samples have been taken, the two samples will be preserved for a reasonable period of time and tested employees will have the opportunity to take one of these samples to a reputable physician or laboratory of their choosing for retesting.

Employees who may be drug or alcohol dependent are encouraged to voluntarily seek professional assistance through a reputable treatment program. The City's EAP program can provide counseling and referral. All records of an employee seeking medical rehabilitation for a drug or alcohol problem, either through EAP or otherwise, will be kept strictly confidential. Voluntary assistance should be sought before dependence affects job performance so as to endanger fellow employees, the public or otherwise adversely impact on the employee's ability to perform his or her job duties.

Participating in the EAP program does not supplant the normal discipline and grievance procedure. An employee subjected to disciplinary charges which include substance abuse on the job will be given access to the drug or alcohol screening results, the ability to privately test the blood, urine or other samples at an independent lab and the opportunity to rebut any allegation of chemical abuse. Any charging letter issued to an employee which includes allegations of substance abuse on the job shall list the basis upon which it was determined that there was reasonable cause to believe the employee was using drugs or was under the influence of drugs or alcohol.

Any employee found to have positive screens for drugs or alcohol shall be suspended immediately pending discharge. The City and the Union agree that any positive result shall be subject to no tolerance and that any employee shall not be subject to a Last Chance Agreement.

An employee shall be deemed to have failed an alcohol test if:

- (1) The person has a concentration of three-hundredths of one percent or more by weight of alcohol in his blood;
- (2) The person has a concentration of three-hundredths of one gram or more by weight of alcohol per two hundred ten liters of his breath;

- (3) The person has a concentration of 4.5-hundredths of one gram or more by weight of alcohol per one hundred milliliters of his urine.

The City is not responsible for any legal obligations and costs for claims based on the Union's duty of fair representation.

The Union shall be indemnified and held harmless by the City for any violation of an employee's constitutional, common law, or statutory rights.

ADDENDUM II

TESTED SEASONAL EMPLOYEE DEFINED

A tested seasonal employee is defined as an employee who: (1) has successfully passed an entry-level civil service examination for a position performed by bargaining unit employees; (2) is assigned to work for the City for a specific season (3) is either transferred to another division or reassigned different work within the same division or department; and (4) does not hold a full-time position in the full-time employees bargaining unit.

As a condition of further employment and to become a tested seasonal employee in the bargaining unit, seasonal employees who were hired before the ratification of the 2022-25 Agreement for seasonal employees who previously did not successfully pass a civil service examination for the full-time employment equivalent positions that the employees hold, must successfully pass the performance component of an entry-level civil service examination for the positions that they hold during one (1) of the first three (3) opportunities that the City offers the examination during a twelve (12) month period after ratification of the 2022-25 Agreement for current seasonal employees.

Based upon reasonable prior notice and if operational needs permit, the City agrees to allow Tested Seasonal and or Seasonal employees to take the civil service tests during work hours.

Upon ratification of the 2022-25 Agreement, any seasonal employee who either has worked three (3) or more consecutive and unbroken years immediately before or three (3) or more consecutive and unbroken years after ratification of the 2022-25 Agreement without being laid off will be considered a Full-Time employee by the City and will start on a going forward basis accruing benefits and seniority as such.
