

Office of Minority Health 2024 Annual Report

Division of Health Equity and Social Justice

The Cleveland Office of Minority Health identifies local health disparities, informs, educates, and empowers at-risk communities.

COMH provides minority health data to local agencies working to improve the health status of minority populations.

Highlights

- Collaborated with 3 partners to advance OMH goals and satisfy grant deliverables
- Administered the Clifton Strengths Assessment to the Advisory Committee for a networking and leadership training opportunity
- Recruited 2 new advisory board members

2024 By the Numbers

- 72%** The percentage of OMH Advisory Committee members retained during the grant cycle
- 12** Number of Hispanic UMADAOP stakeholders at the focus group discussion to inform Minority Health Month messaging
- 1** Number of asset maps developed for local grocery stores for a food insecurity project
