

# MomsFirst 2024 Annual Report

Division of Health Equity and Social Justice

MomsFirst supports new and expecting mothers, fathers, and babies. Participants are paired with a Community Health Worker (CHW) from pregnancy up until babies are 18 months old. MomsFirst includes home visits, health education, and referrals to other resources as needed.

## Highlights

- Integrated developmental screenings into CHW visits for early detection and intervention.
- Enhanced child development education through one-on-one parent discussions.

## 2024 By the Numbers

**495** participants served, including moms and dads

**3,444** face-to-face participant visits that resulted in a service

**196** babies born in MomsFirst

**5.1** Infant Mortality Rate among MomsFirst participants (*Preliminary*)
