Currently pending before the court in the above-captioned case is Monitor Hassan Aden’s (“Monitor”) Notice submitting the Cleveland Division of Police’s (“CDP” or the “Division”) proposed Curriculum for Crisis Intervention Data Collection Refresher Training (the “Curriculum”). (ECF No. 368.) The Monitor states that this Curriculum “allows officers to appropriately document the Division’s response to calls for service that involve individuals in a behavioral crisis” and “provides an update to the officers in order to properly use the new CDP electronic reporting information system.” (*Id.* at PageID #7915.) Pursuant to the Monitor’s recommendation, the court approves the Curriculum, which meets the terms of the Consent Decree. Accordingly, the court orders said Curriculum to be effective immediately.
