CITY OF CLEVELAND
Mayor Justin M. Bibb

Welcome!

Dear Clevelanders,

The City of Cleveland's Neighborhood Resource & Recreation Centers (NRRC's) provide resources in the neighborhood for recreational, social, cultural, and other support services. This summer 2023 program guide provides a list of programs and services available to members of the entire family across the city's 22 Neighborhood Resource & Recreation Centers. This guide also features several additional programs like the Cleveland Metropolitan School District's Summer Experience, Senior Walks and other activities for aging adults.

As we get ready for summer and continue to promote optimal wellness for all Clevelanders, I encourage you to review this program guide and take advantage of the opportunities available to you and your family. Opportunities in STEM, the arts, workforce training, and fitness that are right in the heart of your neighborhood or in another community across the city.

We are working to ensure that everyone in our community has access to the nutritious food they need every day. Mobile pantries will be held once per month at Michael Zone and Collinwood Neighborhood Resource and Recreation Centers.

Additionally, the social support services staff located in the NRRC's are available to assist you with any challenges you may be facing at this time. These services include referral support, benefits advocacy, and short-term counseling.

My administration is committed to creating desirable connections in your neighborhood and throughout Cleveland for everyone to enjoy.

The city will do all that we can to provide ample high-quality programming for children, youth, adults, and seniors as we build a stronger, safer, and healthier Cleveland for all.

Sincerely,

Justin M. Bibb
Mayor, City of Cleveland

SHOWAGON

Showagon is the City of Cleveland's summer performing arts troupe made up of young people from all parts of the City. Youth ages 8-17 dance, sing, act and perform poetry on the Showagon stage. The Showagon troupe performs at festivals, recreation centers and community events throughout the summer.

The 9-week program begins June 12th through August 18th. The first four weeks are dedicated to rehearsals, and the last seven to performances. Once up and running, the Showagon troupe performs four to five times each week. Our young participants gain invaluable experience that helps them become poised and polished performers.

During the rehearsal phase of the program, talented Showagon staff members work with dancers, singers, and poets before they are ready to take the stage. A vocal coach teaches vocal techniques and helps youth select songs appropriate for the show; our choreographer stages exhilarating dance numbers with classy costumes.
