Welcome!

Dear Clevelanders,

The City of Cleveland Neighborhood Resource and Recreation Centers (NRRCs) are at the heart of our neighborhoods—providing safe spaces for recreation, learning, connection, and support. Across our 21 NRRCs, families can find a wide range of programs and services designed to strengthen and uplift our community. This guide offers a glimpse into everything available to help make your family's summer memorable, active, and fun.

This year, we are proud to continue our Summer Soundtrack initiative—a citywide effort to ensure Cleveland's children and youth have access to high-quality summer programs that inspire learning, support growth, and spark joy. In partnership with Case Western Reserve University, Cleveland Metropolitan School District, Cleveland Public Library, Starting Point, Youth Opportunities Unlimited, and a host of other dedicated organizations, we are offering summer jobs, academic enrichment, sports and arts camps, STEM activities, and more. This work is deeply connected to the efforts of the City of Cleveland's Municipal Cabinet for Children and Youth, which is aligning people, programs, and data across sectors to better serve our young people. Whether you're looking for full-day camps, drop-in programs, or specialty experiences, there's something for every child and teen to enjoy.

In addition to summer activities, our NRRCs are proud to offer Social Support Services Specialists, who are here to help individuals and families connect to free resources, support services, and opportunities that can strengthen your well-being and build a brighter future.

As Mayor, I remain focused on delivering a safer, healthier, and more connected Cleveland. Our Neighborhood Resource and Recreation Centers are a vital part of that vision—safe, welcoming spaces where children can learn, parents and guardians can connect, and entire families can grow and thrive. I encourage you and your loved ones to get outside, explore your neighborhood, and make the most of everything Cleveland has to offer this summer.

Program Offerings Overview

In an effort to offer accessible, high-quality summer programming, the Mayor's Office of Prevention, Intervention, and Opportunity (MPIO) will continue to offer in-person activities in our NRRCs. All programs and activities center around six areas: Youth and Adult Education; Job and Career Readiness; Health

and Wellness; Youth Leadership Development, Mentorship, and Community Service; the Arts; and Non-Traditional Sports and Recreation. Additionally, the Division of Recreation will continue to offer traditional daily programs and activities in all open NRRCs listed on page 10.

Virtual Programs

The City of Cleveland offers free virtual programs for City of Cleveland residents ages 5 and above. The City has selected Zoom as the platform to use for most program offerings. Virtual programming enables residents an opportunity to engage in live, interactive programs from the safety and comfort of their homes. See the Virtual Programs section of this brochure for more information about the programs available.

Individuals interested in participating in one or more of the City's virtual programs, must register in order to be provided access. Please be advised that each program can only accommodate a limited number of participants, so registration is required. See the Registration Process section of the brochure for information pertaining to the registration process.

Please note: A parent or guardian must be present during virtual programming if a child under the age of 13 is a program participant.

In-Person Programs

The City of Cleveland offers a variety of free in-person classes that will be hosted at several NRRCs for residents ages 5 and up.

Please note that these NRRC programs are designed to assist each participant in achieving his/her potential. These classes are progressive, so each class builds upon the previous class session. Participants will use the knowledge and skills they gain in each class session to further their development. In order to get the maximum benefit from these programs, registrants are strongly advised and encouraged to attend each class session. See the In-Person Programs/Classes section of this brochure for information about programs available.

Individuals interested in participating in one or more of the City's in-person programs must register in order to be provided access. Please be advised that each program can only accommodate a limited number of participants, so registration is required. Cultural Exploration through Art

(Art House)

CULTURAL EXPLORATIONS SERIES – These family workshops celebrate the cultural diversity of Cleveland through the visual arts. Workshops are designed to educate participants about cultural traditions they may already know as well as those they may not know. These include the Day of the Dead, the Mexican tradition of celebrating ancestors; Diwali, the Indian Festival of Light; the Chinese New Year and more. The goal of the series is to promote cross-cultural understanding and tolerance. This workshop series is designed for participants ranging from age 5 to adult. Both individual and group projects will be included in the series.

SHOWAGON

Showagon is the City of Cleveland's summer performing arts troupe made up of young people from all parts of the City. Youth ages 8-17 dance, sing, act and perform poetry on the Showagon stage. The Showagon troupe performs at festivals, recreation centers and community events throughout the summer.

The 11-week program begins June 2nd through August 16th. The first four weeks are dedicated to rehearsals, and the last seven to performances. Once up and running, the Showagon troupe performs four to five times each week. Our young participants gain invaluable experience that helps them become poised and polished performers.

During the rehearsal phase of the program, talented Showagon staff members work with dancers, singers, and poets before they are ready to take the stage. A vocal coach teaches vocal techniques and helps youth select songs appropriate for the show; our choreographer stages exhilarating dance numbers with classy costumes.

AGING

Cleveland CARE CALLS

**FOR CLEVELAND SENIOR CITIZENS 60 YEARS OF AGE
AND OLDER OR ADULTS 18-59 WITH A DISABILITY**

Cleveland Care Calls is an automated telephone reassurance system being offered to Cleveland Seniors 60 and over or adults 18-59 with a disability by the **Department of Aging and Public Safety**. Through this computerized system, the individual receives a call, on the days they request, Monday through Friday, to check on their well-being.

They can select a time to receive the call between **7 A.M. - 11 A.M.**. If the individual does not respond to his/her call:

- System will make several additional attempts in a thirty (30) minute period.
- If no response within the thirty minute period, the Department of Aging will then contact any person that the senior has designated as an emergency contact.
- If the individual or any of his/her contacts cannot be reached, the Department of Public Safety may be asked to make a home check on the individual in question.

To participate in the **Cleveland Care Calls Program** an application must be completed.

Please tell your older neighbors and friends, especially those who are homebound, about this service.

For further information, please contact the **Cleveland Care Calls** Project Director at **216-664-6316** or **216-664-2833**.
