FOR IMMEDIATE RELEASE:
May 13, 2025

Bridge Avenue Resurfacing Project
Traffic Advisory
West 57th Street to West 65th Street
(Ward 15)

CLEVELAND – Beginning the week of May 26, 2025, weather permitting, the City will begin asphalt resurfacing on Bridge Avenue from West 57th Street to West 65th Street.

Overall Project Description:

The project includes resurfacing the street from West 57th Street to West 65th Street. In addition, new ADA ramps and pavement markings will be installed. The work is scheduled from May 26 to June 30 from 8:00 AM to 4:00 PM.

Maintenance of Traffic:

Two-way traffic will be maintained on Bridge Avenue at all times except when a brief, temporary closure is needed, one lane of traffic will remain. No on street parking will be permitted during paving operations.

Driveway and pedestrian access will be maintained while the contractor works on road.

Advanced warning signs will be placed outside of the work zone, informing the public of the construction work and any changes in the traffic patterns. Access to residences and businesses will be maintained throughout construction.

Should there be any questions, please contact the City of Cleveland's Construction Inspector, Chris Kotabish at 216-857-1347.

Editor's Note: Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of workers is a top priority.

About the City of Cleveland

The City of Cleveland is committed to improving the quality of life for its residents by strengthening neighborhoods, delivering superior services, embracing diversity and making Cleveland a desirable, safe city in which to live, work, play, and do business.
