CITY OF CLEVELAND CUYAHOGA COUNTY

NOTES TO THE SCHEDULE OF FEDERAL AWARDS EXPENDITURES FOR THE YEAR ENDED DECEMBER 31, 2003

Basis of Presentation:

The accompanying Schedule of Federal Awards Expenditures includes the federal grant activity of the City of Cleveland (the "City") and is presented on the cash basis of accounting. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*.

Longwood Grant:

The United States Department of Housing and Urban Development (HUD) made available an UpFront grant to the City in connection with the demolition, rebuilding and redevelopment of the Longwood apartments.

The funding for the Plan is forecast to come from a variety of public and private sources, including, without limitation, tax-exempt bonds issued under Section 103 of the Internal Revenue Code of 1986, private sector equity derived from benefits associated with the low income housing tax credits, HUD section 221 (d)(4) mortgage insurance, HUD UpFront Grant Program Funds, and City general obligation bond, public utility, Housing Trust Fund, and NDA funds.

The UpFront Grant will be allocated and loaned to the Developer throughout the various phases of the project in accordance with a Promissory Note, Interest on this Note shall begin to accrue on April 1, 2006 at a fixed annual rate of 0.25% with this Note maturing on April 1, 2046.

Park Village

United States Department of HUD made available an UpFront Grant in the amount of \$981,836 for the rehabilitation of the Park Village Apartments.

In addition to the Upfront Grant, funding for the Plan includes, without limitation, a private lender first mortgage, a Community Development Block Grant Float Loan and private sector equity derived from benefits associated with low income housing tax credits.

The UpFront Grant funds are being loaned to the Developer in accordance with the Promissory Note. Interest on this Note began to accrue on March 19, 2003 at a fixed annual rate of 5.23% per annum with this Note maturing on March 19, 2033.

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE AND ON INTERNAL CONTROL REQUIRED BY GOVERNMENT AUDITING STANDARDS

City of Cleveland Cuyahoga County 601 Lakeside Avenue Cleveland, OH 44114

To the Honorable Jane L. Campbell, Mayor, Members of Council, and the Audit Committee:

We have audited the financial statements of the governmental activities, the business-type activities, the major fund and the aggregate remaining fund information of the City of Cleveland, Cuyahoga County, Ohio, (the City) as of and for the year ended December 31, 2003, which collectively comprise the City's basic financial statements and have issued our report thereon dated June 18, 2004. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the City's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance that we must report under *Government Auditing Standards* which is described in the accompanying schedule of findings as item 2003-001. We also noted certain immaterial instances of noncompliance that we have reported to management of the City in a separate letter dated June 18, 2004.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the City's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. However, we noted a certain matter involving the internal control over financial reporting and its operation that we consider to be a reportable condition. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control over financial reporting that, in our judgment, could adversely affect the City's ability to record, process, summarize and report financial data consistent with the assertions of management in the financial statements. A reportable condition is described in the accompanying schedule of findings as item 2003-002.

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. However, we do not believe the reportable condition described above is a material weakness. We also noted other matters involving the internal control over financial reporting that do not require inclusion in this report, that we have reported to the management of the City in a separate letter dated June 18, 2004.

This report is intended for the information and use of the audit committee, management, City Council, federal awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANTS' REPORT OF COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

City of Cleveland Cuyahoga County 601 Lakeside Avenue Cleveland. OH 44114

To the Honorable Jane L. Campbell, Mayor, Members of Council, and the Audit Committee:

Compliance

We have audited the compliance of the City of Cleveland, Cuyahoga County, Ohio, (the City) with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133, Compliance Supplement* that are applicable to each of its major federal programs for the year ended December 31, 2003. The City's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the City's management. Our responsibility is to express an opinion on the City's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance occurred with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the City's compliance with those requirements.

In our opinion, the City complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended December 31, 2003. However, we noted certain immaterial instances of noncompliance applicable to its major federal programs that we have reported to management of the City in a separate letter dated June 18, 2004. The results of our auditing procedures also disclosed an instance of noncompliance with those requirements that are required to be reported in accordance with OMB Circular A-133 and which is described in the accompanying schedule of findings as item 2003-002.

Lausche Building / 615 Superior Ave., NW / Twelfth Floor / Cleveland, OH 44113-1801 Telephone: (216) 787-3665 (800) 626-2297 Fax: (216) 787-3361 www.auditor.state.oh.us City of Cleveland

Internal Control Over Compliance

The management of the City is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the City's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

Schedule of Federal Awards Expenditures

We have audited the basic financial statements of the City as of and for the year ended December 31, 2003, and have issued our report thereon dated June 18, 2004. Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying Schedule of Federal Awards Expenditures is presented for the purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

This report is intended for the information and use of the audit committee, management, City Council, federal awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.

CITY OF CLEVELAND CUYAHOGA COUNTY FOR THE FISCAL YEAR ENDED DECEMBER 31, 2003

SCHEDULE OF FINDINGS (CONTINUED)

2. FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS

Those comments with an asterisk (*) denote comments that were previously reported to management in the December 31, 2002 audit report for which corrective action has not been taken.

Finding Number 2003-001

City of Cleveland, <u>Codified Ordinance</u>, Section 173.071, states "The members of Council shall be entitled to be reimbursed the cost of expenses incurred by them in the performance of their official duties in an amount not to exceed twelve hundred (\$1,200) per month."

During our testing of Council Member reimbursements, we discovered that for the month of June 2003 Kevin Conwell, submitted and received reimbursements for \$1,200 and \$999.08. Since the maximum reimbursement is \$1,200 Mr. Conwell was over reimbursed \$999.08.

In accordance with the forgoing facts, and pursuant to the Ohio Revised Code Section 117.28, a Finding for Recovery for public monies improperly expended is hereby issued against Kevin Conwell, Council Member, in the amount of \$999.08 and in favor of the City of Cleveland's General Fund.

On June 14, 2004, Mr. Conwell repaid \$1,000 to the City of Cleveland's General Fund.

----------------	------------

The City's has implemented control procedures for the payroll process that involve the approval of time worked by employees each pay period. This approval is evidenced by a signature of the employee's supervisor on the employee's time sheet.

Police Department employees utilize a computerized time-keeping device called KMAN to record their time on a daily basis. Once each officer's data is entered into the system a Daily Duty Assignment (DDA) report is generated which summarizes the hours worked for all officers on the shift.

Cleveland Division of Police - Timekeeping Manual established the following policies and procedures:

- § III.2.2, states "The timekeeper shall prepare two copies of the Daily Duty Assignment report after entering all timekeeping data each day."
- § III.2.3, states "The Officer in Charge of the Unit will review the report for completeness and accuracy."
- § III.2.5, states "One copy shall be sent through the normal chain of command to the Inspection Unit."
- § III.2.6, states "One copy shall be retained at the Administrative Unit for a period of not less than three years."

Due to prior reports detailing noncompliance with these policies and procedures, the Cleveland Division of Police issued Division Notice #03-251, dated July 22, 2003, reminding all administrative units that the timekeeping manual requires "Two DDA reports shall be generated daily and each reviewed and signed by the unit/platoon Officer-in-Charge and the timekeeper. One of the DDA reports shall be forwarded through the chain of command to the Inspection Unit and one retained at the Administrative Unit."

SCHEDULE OF FINDINGS (CONTINUED)

2. FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS

Finding Number	2003-002 *		
(Continued)			

A test of 1,152 DDA reports disclosed that 264 were not signed/approved by the respective Officer-in Charge, 36 could not be located, and 14 instances in which the employee was not listed on the DDA report provided. This resulted in a 27% error rate.

When the preliminary results were communicated to the Police Department, through the City's Internal Audit Manager, we received additional documentation. However, 21 of the DDA reports received were dated in 2004, instead of 2003. Furthermore, Police Departmental memos obtained indicated the DDA reports were being provided to the individuals who examined and approved the reports at that time for their current signature, instead of obtaining the reports that were originally signed. Based on these factors, we would not accept the additional information.

Community Oriented Policing Services (COPS) Distressed Neighborhoods Federal Grant, CFDA# 16.609

A test of 84 DDA reports from this federal program disclosed that 28 were not signed/approved by the respective Officer-in-Charge. This resulted in a 33% error rate.

The failure of the Police Department to provide supervisory approvals of DDA reports and the inability of the Department's monitoring controls to detect this weakness may result in the City compensating police officers for time not earned.

We recommend that all Daily Duty Assignment reports be reviewed and approved by the respective Officer-in-Charge. Also, when the DDA reports are received by the Inspection Unit they should be monitored for proper approvals. If the DDA is not approved then the Inspection Unit should return it for a proper approval. Finally, the Administrative and Inspection Units should establish formal procedures to ensure the DDA reports are properly safeguarded and filed.
