**ARTICLE 1
PURPOSE**

(1) This Contract sets forth a complete and final agreement on all bargaining issues between the City of Cleveland, hereinafter referred to as the “City” and Local 38, hereinafter referred to as the “Union”, which represents employees as specified herein. Specifically, the agreement addresses all matters pertaining to wages, hours, or terms and other conditions of employment mutually expressed between the parties.

(2) The male pronoun or adjective where used herein refers to the female also unless otherwise indicated. The term “employee” or “employees” where used herein refers to all employees in the bargaining unit. The purpose of this Contract is to provide a fair and reasonable method of enabling employees covered by this Contract to participate, through Union representation, in the establishment of the terms and conditions of their employment and to establish a peaceful procedure for the resolution of Contract differences between the parties. This Contract shall comply with the laws of the United States, the State of Ohio and the City of Cleveland and all applicable governmental administrative rules and regulations which have the effect of law.

**ARTICLE 2
RECOGNITION**

(3) The Union is recognized as the sole and exclusive representative for full time employees who have completed their probationary period of the City in the job classifications of the bargaining unit set forth for purposes of establishing rates of pay, wages, hours, and other conditions of employment.

Assistant Chief Electrical Inspector
Electrical Safety Inspector 1,2,3,and 4

**ARTICLE 3
MANAGEMENT RIGHTS**

(4) Except as specifically limited herein, all rights are reserved to and remain vested in the City, including, but not limited to the sole right to:

- (a) Determine matters of inherent managerial policy which include, but are not limited to, areas of discretion or policy such as the functions and programs of the City, standards of services, its overall budget, utilization of technology and governmental structure.
- (b) Direct, supervise and evaluate or hire employees.
- (c) Maintain and improve the efficiency and effectiveness of City operations.
- (d) Determine the overall methods, process, means or personnel by which City operations are to be conducted.
- (e) Suspend, discipline, demote, or discharge for just cause, or lay-off, transfer, assign, schedule, promote or retain employees.
- (f) Determine the adequacy of the work force.
- (g) Determine the overall mission of the City
- (h) Manage the work force.
- (i) Take actions to carry out the mission of the public employer as a governmental unit.
- (j) Contracting out. However, for contracting out which would result directly in the layoff of employees, the City shall follow the following process: Ninety (90) calendar days prior to such contracting out the City shall meet and confer with the Union on no less than a weekly basis and the City will disclose the nature, supervisory labor costs, and costs of the proposed contract. Where the City's primary objective is to achieve financial economy, improved operating efficiency, and/or better quality of service, the Union shall have the right to make an offer of a competitive alternative. If that alternative yields financial savings, improved operating efficiency, and/or better quality of service genuinely equivalent to or greater than those the City can achieve through contracting out, the City will accept the Union's alternative.

Should employees be subject to layoff as a result of the decision to contract out, the City will assign those employees to vacant positions for which they are qualified or can be trained to become qualified within a reasonable period of time.

The City and the Union agree that if there is a disagreement regarding the above, including over the true value of the Union's competitive alternative, the Union will have the right to submit the issue of whether or not the Union's alternative "genuinely" meets or exceeds the City's objective to final and binding arbitration by requesting expedited arbitration with the Federal Mediation and Conciliation Service within fourteen (14) days of the expiration of the 90-day meet and confer period.

Upon request, the City will provide information to the Union regarding contracting out which entails bargaining unit work. Where the Union identifies either a significant increase in such contracting out or advertisements for bids for such contracting out, the Union may request and the City shall meet for the purpose of discussing alternatives to contracting out. However, for contracting out which would directly result in the layoff of employees, the City shall follow the process described above.

(5) The City will not bargain on subjects reserved to the management and direction of the governmental unit except as affect wages, hours, terms and conditions of employment, and the continuation, modification, or deletion of an existing provision of a collective bargaining agreement.

ARTICLE 4 UNION RIGHTS

(6) It shall not be a violation of this contract and it shall not be a cause for discharge or disciplinary action if any employee refuses to enter upon any property involved in a primary labor dispute, refuses to go through or work behind any lawful primary picket line, or refuses to do work normally done by primary striking members of another union, except that the City shall not be required to pay wages of any such employees. Provided, that in no case shall any employee refuse to do any work, regardless of the existence of a lawful primary labor dispute, if, in the City's judgment, such refusal would be detrimental to the public health or safety unless the City cannot reasonably provide for the personal safety of the employees.

(7) Any alleged violation of City rights or of Union rights is subject to immediate review by the Union and the City at the Step Three Level of the grievance procedure.

**ARTICLE 5
NO-STRIKE**

(8) The Union shall not, directly or indirectly, call, sanction, encourage, finance and/or assist in any way, nor shall any employee instigate or participate, directly or indirectly, in any strike. For the purpose of this section, "strike" means concerted action in failing to report to duty; willful absence from one's position; stoppage of work; slowdown or abstinence in whole or in part of the duties of employment for the purpose of inducing, influencing, or coercing a change in wages, hours, or terms, and conditions of employment for the duration of this Contract or any extension thereof.

(9) Violations of this paragraph may constitute an unfair labor practice as determined and remediable by the State Employment Relations Board. In the event an Unfair Labor Practice is determined by S.E.R.B., the City will not subsequently impose discipline except with just cause.

(10) It is understood that all orders of City Supervisors shall be complied with during the period when a dispute is being processed through the Grievance Procedure, provided that no employee shall be required to obey an order which would jeopardize his life or cause bodily injury.

(11) The City shall not lock out any employees for the duration of this memorandum.

**ARTICLE 6
LIMITED RIGHT TO STRIKE**

(12) Upon or after expiration or termination of this Contract or any extensions, employees have the right to strike as provided under Chapter 4117 of the Revised Code provided that the employee organization representing the employees has given a ten (10) day prior written notice of an intent to strike to the public employer and to the Board. However, the Board, at its discretion, may attempt mediation at any time.

**ARTICLE 7
UNION REPRESENTATION**

(13) The City recognizes the right of the Union to select Local officers, stewards, and alternate stewards to represent employees on grievances arising under this contract as follows:

The alternate steward shall act as steward when the steward is absent from work and the Union must at all times have a steward or alternate steward in each of the locations. A local Union Officer may act when necessary, in place of a steward. Local Officers, stewards and chapter officers shall not be transferred from their respective departments and their respective shifts during their terms of office, except upon mutual agreement between the City and the Union. The Union will provide, on a divisional basis, a list of Local officers, stewards, and alternate stewards for the purpose of recognition. The Union will notify the City of any change in such lists.

(14) A Local officer or steward, within a reasonable time from the time they give notice to their supervisor, shall be permitted to investigate and process a grievance within his own location and attend meetings on City property or at a work location provided for by the Grievance Procedure during his working hours without loss of regular (straight-time) pay. Chapter officers shall be permitted to attend grievance-related meetings at the Union Hall upon prior notice by the Union, as to the date, time and person(s) involved. Such activity shall be with proper regard for the City's operational needs and work requirements and additional time is not provided for or compensable for Union-related matters. It is the City's responsibility to provide time to officers and stewards as provided for in the Grievance Procedure and it is the Union officer(s) responsibility to inform the City of the tentative time and location of his/her hearings and investigations. All such activity shall be logged on forms provided by the City of such purpose.

(15) It is the mutual responsibility of the City and the Union to cooperate in good faith in providing for a fair and timely Grievance procedure, while at the same time keeping to a

minimum the time lost due to grievance handling. When more than three (3) employees are working a union steward will be present and working.

**ARTICLE 8
UNION VISITATION**

(16) Upon advance written notice to the Appointing Authority and the City's Labor Relations Representative, the staff representatives of the Union shall be permitted to enter the City's premises during working hours, but at no time shall such visitation rights interfere with the work requirements of any employee or disrupt operations in any way unless expressly permitted by the City.

**ARTICLE 9
LAY-OFFS**

(17) Whenever it is necessary to reduce the working force of the City for any lawful reason, such as for lack of work or lack of funds, employees shall be laid off based upon seniority within the affected classification within their division in the following order:

- (b) Temporary Employees
- (c) Certified/Regular Employees

The probationary period may be extended for an additional thirty (30) days by mutual agreement of the City and Union. The initial and promotional probationary periods are served by employees as working days. All approved leaves of absence will not count as work days for purposes of calculating a probationary period.

(24) If an employee is discharged or quits while on probation and is later rehired, he shall be considered a new employee and subject to those provisions.

**ARTICLE 12

Original appointment shall include all appointments made into the classified civil service of the City, including regular and temporary appointments, but shall not include the promotional appointment of a City employee pursuant to procedures contained in this collective-bargaining agreement. An employee who is promoted into a new classification pursuant to a collective bargaining unit job posting procedure can attain regular/legal status after successfully completing a six (6) month probationary period.

(30) The City will provide the Union, upon request, with a seniority list of all employees in the bargaining unit, listing name, job classification, department, date of hire, and date of classification.

(31) It is the obligation of each employee to keep the City advised of his current address and telephone number where he can be reached directly, and for purposes of this contract, the City may rely on the last address and telephone number supplied by an employee.

ARTICLE 45 GRIEVANCE PROCEDURE

(97) It is mutually agreed that the prompt adjustment of grievances is desirable in the interest of sound relations between the employees and the City. The prompt and fair disposition of grievances involves important and equal obligations and responsibilities, both joint and independent, on the part of the representatives of each party to protect and preserve the Grievance Procedure as an orderly means of resolving grievances. It is the intent of the City and the Union to share information pertaining to grievances at all steps of the Grievance Procedure.

(98) A grievance is defined as a dispute or difference between the city and employee(s) or the City and the Union concerning the interpretation and/or application of and/or compliance with any provision(s) of this Contract, including any and all disciplinary actions. A Group Grievance is a grievance filed by a group of employees relating to a single common issue or event covered by this Contract. A Policy Grievance is a grievance filed by the Union relating to a single common issue or event covered by this Contract. The grievance form shall set forth the complete details of the grievance, *i.e.*, the facts upon which it is based, the paragraph(s) allegedly being violated, the approximate time of occurrence and the relief or remedy requested. It is understood that a written grievance may be amended by the Union at any time during the Grievance Procedure. However, all amendments must be presented prior to the start of the Step Three (3) meeting at which the amended grievance is to be heard, except in the case of grievances which begin at Step 3, in which case all amendments must be presented not later than thirty (30) calendar days prior to arbitration.

(99) It is important that the employee's grievance(s) regarding unjust or discriminatory discharges be handled promptly. Therefore, all such grievances shall be reviewed through the Grievance Procedure beginning at Step Three (3) within ten (10) working days as in Step One (1). Grievances regarding wage rates/Step placement shall be reviewed through the Grievance Procedure beginning at Step Two (2) with ten (10) working days as in Step One (1).

Step 1: When a grievance arises, the following procedure shall be followed: An employee who believes he has a grievance has a right to notify his Union representative of the situation and to discuss the alleged violation. This discussion shall take place with regard for the City's operational needs, but as soon as is reasonably possible. The grievance shall be reduced to writing and presented to the Commissioner or Appointing Authority or his designee within ten (10) working days of the event(s) giving rise to said grievance. The Commissioner or Appointing Authority or his designee shall meet with the steward and Union Representative within five (5) working days from the date of receipt of the grievance in an effort to resolve the grievance. Within ten (10) working days after this meeting, the Commissioner or Appointing Authority or his designee shall give a written answer to the Steward and Union Representative. Each grievance shall be answered separately. The answer shall set forth in detail the settlement reached between the parties and shall include the grievance number, grievant's name, and the date of the grievance hearing. Agreement on this settlement shall be noted by both parties, in writing, on the grievance answer. In the event the grievance is not resolved, the answer shall set forth in detail the reason or reasons for the denial of the grievance. The Step One (1) grievance shall be signed either by the individual grievant(s) or in the case of a Group or Policy Grievance, by a Union representative.

Step 2: If the grievance is not satisfactorily settled at Step One (1), it shall be presented in writing to the employee's Director or his designee within ten (10) working days of the receipt of the Step One (1) answer. Within five (5) working days thereafter, the Director or his designee shall

meet with the Local Union Representative. Within ten (10) working days after the Step Two (2) meeting, the Director or his designee shall give a written answer, as defined in Step One (1), to the Local Union Representative.

Step 3: If the grievance is not satisfactorily settled at Step Two (2), it shall be presented in writing to the City's Labor Relations Representative, along with the initial grievance, Step Two (2) appeal, amendments to same, and Step 1 and 2 responses, with a copy to the affected Director or his designee, within ten (10) working days after receipt of the Step Two (2) answer. The City's Labor Relations Representative and the Union's Staff Representative will mutually agree on a date for a meeting for the purpose of considering grievances. A complete agenda for all grievances appealed in writing to Step Three (3) will be provided by the Union prior to each meeting. Within thirty (30) calendar days of the Step Three (3) meeting, the City's Labor Relations Representative shall give a written answer, as defined in step One (1), to the Union's Staff Representative.

Step 4: If the grievance is not satisfactorily settled at Step Three (3), the Union may, within thirty (30) calendar days in the case of grievances appealing an employee discharge, and within thirty (30) working days in the case of all other grievances, submit the matter to final and binding arbitration. The Union shall notify the City of its intent to arbitrate the grievance. Within ten (10) calendar days thereafter, the parties shall meet and attempt to mutually agree upon an arbitrator. If no agreement can be reached, the Union shall within ten (10) calendar days after the meeting, notify the American Arbitration Association (AAA) and the City at the same time of its intent to arbitrate the grievance. The fees and expenses of the arbitrator shall be borne equally by the City and the Union. Furthermore, the aggrieved employee, his Union representative, and any necessary witness(es) shall not lose any regular straight-time pay for time off the job while attending an arbitration proceeding. The Union will provide the City with twenty-four (24) hours advance notice of employees required to testify. The parties may, by mutual agreement, choose to have a

grievance involving suspension or discharge arbitrated on an expedited basis. The expedited arbitration will be conducted pursuant to the rules of the American Arbitration Association, and the fees and expenses of such proceeding including those of the Arbitrator, shall be borne equally by the City and the Union.

(100) In the event a grievance goes to arbitration, the arbitrator shall have jurisdiction only over disputes arising out of grievances as the interpretation and/or application and/or compliance with the provisions of this Contract, including all disciplinary actions. In reaching his decision, the arbitrator shall have no authority: (1) to add or to subtract from or modify in any way of the provisions of this Contract; (2) to pass upon issues governed by law; or (3) to make an award in conflict with law. The arbitrator shall issue a decision within thirty (30) calendar days after submission of the case to him.

(101) In instances where the city objected to arbitration and the Union chose to proceed, the first (1st) question to be placed before the arbitrator will be that of arbitrability. If the arbitrator determines that the grievance is within the purview of arbitrability, the grievance will be heard on its merits before the same arbitrator.

(102) All decisions of arbitrators consistent with Paragraphs ninety-eight (98) and ninety-nine (99) and all pre-arbitration grievance settlements reached by the Union and the City shall be final, conclusive' and binding upon the City, the Union and the employees. Provided, that a grievance may be withdrawn by the Union at any time during the Grievance Procedure and the withdrawal of any grievance shall not be prejudicial to the positions taken by the parties as they relate to that or any other grievance. Grievances not timely filed by either party will result in denial of the grievances. Grievances not timely processed or answered within the ten (10) working day period shall result in the grievance advancing to the next step. For purpose of this section; timeliness is counted as working days from the date of the incident or the date expressed on the

face of either the answer or the appeal notice; as applicable. Extensions of time limits shall be by mutual agreement and must be verified in writing and signed by both parties. The date of occurrence of the event causing time to run is not counted in the time limit. If the last date of a period is not a regular business day, the time period runs through the end of the next regular scheduled business day.

ARTICLE 46 MISCELLANEOUS

chemical substance. The circumstances supporting an allegation warranting reasonable suspicion testing shall be reduced to writing, signed by the supervisor, and copies to the employee and Union prior to testing. The demand for a urine, blood or breath specimen should be based only upon specific/objective facts and reasonable inferences drawn from those facts in light of experience that the employee is then under the influence of drugs or alcohol. In addition, employees may be referred for mandatory urine, blood, or breath, for drug and/or alcohol screening under the following circumstances:

(a) A disciplinary probation for employees who have violated the City's drug and alcohol rules; or

(b) For employees returning from leaves of absence if they have given management a reason to suspect possible illegal drugs and/or alcohol abuse. Possible reasons to suspect substance abuse include, but are not limited to, a history of excessive absenteeism not related to a specific illness, documented evidence of deteriorating job performance or of aberrant behavior in the six months immediately preceding the leave of absence or documented involvement with drugs off the job.

As concerns urine samples for drug testing, employees to be tested will undergo an initial screening (EMIT) test. For any positive results, a confirmatory test employing the gas chromatography/mass spectrometry (GC/MS) test will be used. The City will ensure that there is a continuous chain of custody of any sample taken from an employee. Specimen collection will occur in a medical setting. The testing procedures should not demean, embarrass or cause physical discomfort to employees. Altering or switching a specimen sample for a drug/alcohol test, or otherwise refusing to follow the established testing procedure and/or guidelines, shall be grounds for discharge.

The results of any drug or alcohol screening test will be kept strictly confidential. An employee who tests positive for drugs and/or alcohol will have the opportunity to review the test results and, if desired, a reasonable opportunity to rebut the results. Copies of test results shall be given to the City and to the individual tested. Where urine, blood or other samples have been taken, the two samples will be preserved for a reasonable period of time and tested employees will have the opportunity to direct one of these samples to a reputable physician or laboratory of their choosing for retesting.

Employees who may be drug or alcohol dependent are encouraged to voluntarily seek professional assistance through a reputable treatment program. The City's EAP program can provide counseling and referral. All records of an employee seeking medical rehabilitation for a drug or alcohol problem, either through EAP or otherwise, will be kept strictly confidential. Voluntary assistance should be sought before dependence affects job performance so as to endanger fellow employees, the public or otherwise adversely impact on the employee's ability to perform his or her job duties.

Participating in the EAP program does not supplant the normal discipline and grievance procedure. An employee subjected to disciplinary charges which include substance abuse on the job will be given access to the drug or alcohol screening results, the ability to privately test the blood, urine or other samples at an independent lab and the opportunity to rebut any allegation of chemical abuse. Any charging letter issued to an employee which includes allegations of substance abuse on the job shall list the basis upon which it was determined that there was reasonable cause to believe the employee was using drugs or was under the influence of drugs or alcohol.

Any employee found to have positive screens for drugs or alcohol must be given medical clearance by a qualified physician acceptable to the City before returning to work. Such employees may also be subject to additional random testing for a period of up to two years.

An employee shall be deemed to have failed an alcohol test if:

- (a) The person has a concentration of three hundredths (.03) of one percent or more by weight of alcohol in his blood;
- (b) The person has a concentration of three hundredths (.03) of one gram or more by weight of alcohol per two hundred ten liters of his breath;
- (c) The person has a concentration of 4.5 hundredths of one gram or more by weight of alcohol per one hundred milliliters of his urine. The City is not responsible for any legal obligations and costs for claims based on the Union's duty of fair representation. The Union shall be indemnified and held harmless by the City for any violation of an employee's constitutional, common law, or statutory rights.
