Street Furniture

YOU SAID

"We need a bike lane and places to park our bikes."

"I wouldn't mind a little bench"

"Any light you can put on the street is good! There are lots of pockets of darkness"

"(We need) a very walkable street - a place where people will be inspired not to drive"

E. 66th / Black Avenue Colors

YOU SAID

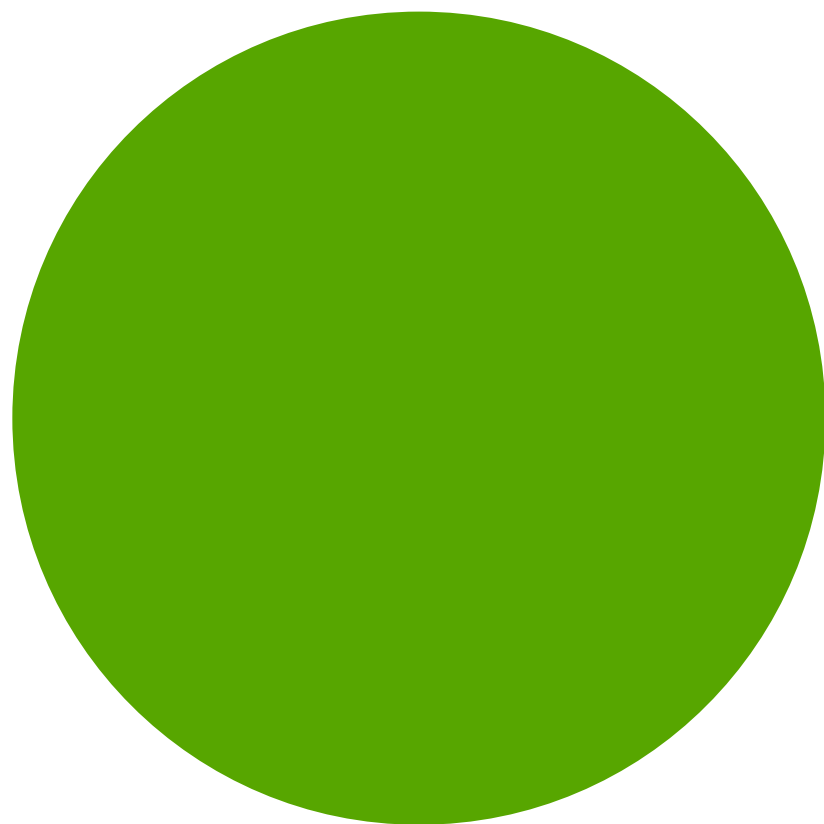

“Affirmations. Yeah. And a lot of colors.”

“I’m definitely up for the arts, color, and color scheme, that changes a lot just when people see different... Statues and color still gives inspiration.”
