Plumbing Permit Application Instructions

sewer work is new construction. Check "No" if this work is replacement or repair.
BUILDING PERMIT No Fill in the Building Permit number for the general trades work associated with this project. Plumbing plans were approved under this building permit number. You may need to submit plans if no building permit number is entered. If the plumbing or sewer work requires no general trades work (e.g. replacing a hot water heater) insert "None" on the line.
OCCUPANCY:1-,2-, or 3-FAMILY DWELLING OTHER: Check if this is a 1-, 2-, or 3-Family Dwelling; if commercial or any other use, fill in the blank (.eg. store, office, warehouse, church, school, hospital.)
1. ADDRESS OF INSTALLATION: This is the address where the work will be completed. Include floor number or suite number to further locate the installed work, .eg. Basement, 3 rd Floor, or Throughout.
2. OWNER NAME: This is the property owner's name, address and phone number. Note that the business owner may not be the same as the property owner. Please provide the entire street name, including Street, Avenue, Road, etc., and the area code for your phone.
ADDRESS/PHONE: This is the name, address, and phone number of the registered (i.e. licensed, bonded, and insured) contractor who will install the plumbing. If this application is for sewer work, leave this blank and go to 4. Registered Sewer Contractor. If this is a homeowner permit, insert "Owner" on the line provided; you will also need to complete the Homeowners Affidavit.
4. REGISTERED SEWER CONTRACTOR: ADDRESS/PHONE: This is the name, address, and phone number of the registered (i.e. bonded and insured) contractor who will install the sewer work. If this application is for plumbing work, leave this blank and go to 3. Licensed Plumbing Contractor. If this is a homeowner permit, insert "Owner" on the line provided; you will also need to complete the Homeowners Affidavit.
5. ESTIMATED COST OF WORK: [MATERIAL AND LABOR] \$ This is the estimated value of the installed plumbing and/or sewer work, including all labor, materials, overhead and profit.

6. DESCRIPTION AND SCOPE OF PROPOSED WORK:

Under "FIXTURE DESCRIPTION" provide the number of each type of fixture or appliance that will be installed, and multiply by the appropriate fee rate (see Fee Schedule) to fill in the "Fee" line. Under "PIPE INSTALLATION" provide an estimate of the total length (lineal feet) of drain, storm, and water or gas piping, and multiply by the appropriate fee rate to fill in the "Fee" line. Check the box to indicate if the work is "SEWER REPAIR" or "SEWER CLEANING". If "OTHER", please explain work to be done.
