Addendum 3**

**Issued by:** City of Cleveland Mayor's Office of Capital Projects  
**Release Date:** May 20, 2025

**Clarification and Update to Submission Requirements**

Please note the following clarification to Addendum 2, issued May 15, 2025:

All proposers are required to acknowledge receipt of each issued Addendum within the cover letter of their RFP submission. This acknowledgement must be clearly presented in the following format:

Addendum Number	Name of Authorized Party	Role	Date
-----------------	--------------------------	------	------

Failure to include this acknowledgment may result in disqualification from further consideration.

The City of Cleveland reserves the right to issue additional addenda, modify the solicitation schedule, or make other changes to the procurement process as deemed necessary and in the best interest of the project.
