FOR IMMEDIATE RELEASE:

August 30, 2022

Lorain Avenue Resurfacing Project Traffic Advisory West 25th Street to Hope Memorial Bridge (Ward 3)

CLEVELAND – Beginning the week of September 12, 2022, weather permitting, the City will begin asphalt resurfacing on Lorain Avenue from West 25th Street to the Hope Memorial Bridge (0.4 miles). A portion of the street will be closed and one lane of traffic will be maintained in each direction. A complete closure is not expected to occur. No on-street parking will be permitted for the duration of the project.

The project includes milling the existing asphalt pavement, adjusting utility castings, full depth pavement repairs, partial depth pavement repairs, placement of compliant ADA ramps, placing new asphalt, and pavement markings. The milling and paving operations are expected to be performed at night between the hours of 7pm and 7am during the first week of the project. A second week of night work will occur towards the end of the project, in mid-October. All proposed night work is tentative and weather permitting. The remaining work; casting adjustments, full depth pavement repairs, the installation of ADA ramps and pavement markings will take place during the hours of 7 a.m. to 5 p.m. The project is expected to complete by the end of October 2022.

Should there be any questions, please contact the City of Cleveland's Construction Inspector, Robert Chaplin at 216-857-7537.

Editor's Note: Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of workers is a top priority.

About the City of Cleveland

The City of Cleveland is committed to improving the quality of life for its residents by strengthening neighborhoods, delivering superior services, embracing diversity and making Cleveland a desirable, safe city in which to live, work, play, and do business.
