FOR IMMEDIATE RELEASE:

Pipeline Infrastructure Improvements Update

Dominion Energy Ohio Gas Pipeline Infrastructure Replacement Project – P 400305944 – Restor Avenue and East 186 Street (City of Cleveland - Ward 1)

CLEVELAND – On Monday, September 12, 2022, Dominion Energy Ohio’s gas pipeline infrastructure replacement project will begin on the following streets:

- Restor Avenue – South Side from 18600 Restor Avenue to 18716 Restor Avenue
- East 186 Street – From Restor Avenue to 4156 East 186th Street
- East 187th Street – From Restor Ave to 4152 East 187th Street

The improvements include replacing the old steel mainline with a new plastic mainline in the roadway and sidewalk area. A work zone will be established which will allow two-way traffic with traffic control personnel present to help direct traffic flow. Access to adjacent driveways and businesses will be maintained throughout construction. The work on the project will take place Monday through Friday from 7 a.m. to 5 p.m.

This project is scheduled for completion in December 2022. Should the weather not allow for permanent restoration to the sidewalk and roadway after construction. A temporary 2” thick concrete sidewalk will be installed for pedestrian traffic, and concrete road caps will be placed on all road crossings until permanent restorations can be completed in the spring of 2023.

Should there be any questions, please contact Matt Lenke - Hill International at 330-353-7111.

***Editor’s Note:** Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of workers is a top priority.*

About the City of Cleveland

The City of Cleveland is committed to improving the quality of life for its residents by strengthening neighborhoods, delivering superior services, embracing diversity and making Cleveland a desirable, safe city in which to live, work, play, and do business.
