FOR IMMEDIATE RELEASE:
September 1, 2022

City Announces Neighborhood Street Improvements

**Myrtle Avenue, Priebe Avenue, Delrey, East 155th Street.
(City of Cleveland Ward 1)**

CLEVELAND – During the week of September 6, 2022, weather permitting, the City of Cleveland’s Residential Resurfacing Program will continue in Ward 1. Advance notice signs will be posted to advise the public of road improvements. The following streets will be complete by the end of October 2022:

- **Myrtle Avenue (East End to West End)**
- **Priebe Avenue (Lee Rd to East End)**
- **Delrey Avenue (East 155th to Stockbridge Avenue)**
- **East 155th Street (Glendale Avenue to Invermere Avenue)**

One lane of traffic will be maintained for local traffic for the duration of each project. No detours are expected. Access to all businesses, residences and side streets will be maintained during construction. On-street parking will not be allowed during construction. The work will take place during the hours of 8 a.m. to 4 p.m.

2022 Road Resurfacing Project Description:

- The work represents an investment of \$12 million in the City’s Residential Roadways.
- With the completion of the Pavement Management Study in 2017 and the continued evaluation of the City’s roadway network, the City has a grading system that allows streets in the greatest need of resurfacing to be selected for repair. The City is using the ‘worst first’ approaches for road resurfacing.
- The City estimates it will resurface approximately 93 residential streets in 2022.
- The City will also be using the ‘fix-it-first’ approach to restore a high pavement condition rating to streets that are fair condition.
- The City estimates it will employ this method on rating approved residential streets.
- A separate advisory will be issued prior to work beginning in each ward.

For questions, contact the City’s Project Coordinator, Ms. Idreea Hill at (216) 664-2593.

***Editor's Note:** Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of workers is a top priority.*

About the City of Cleveland

The City of Cleveland is committed to improving the quality of life for its residents by strengthening neighborhoods, delivering superior services, embracing diversity and making Cleveland a desirable, safe city in which to live, work, play, and do business.
