**FOR IMMEDIATE RELEASE:**

**April 13, 2023**

**London Road Resurfacing Project  
Traffic Advisory  
Euclid Avenue to St. Clair Avenue  
(Wards 8 & 10)**

**CLEVELAND** – Beginning the week of April 24, 2023, weather permitting, the City will begin asphalt resurfacing on London Road from Euclid Avenue to St. Clair Avenue (0.7 miles). A portion of the street will be closed and one lane of traffic will be maintained in each direction. A complete closure is not expected to occur. No on-street parking will be permitted for the duration of the project.

The project includes milling the existing asphalt pavement, adjusting utility castings, full depth pavement repairs, partial depth pavement repairs, placement of compliant ADA ramps, placing new asphalt, and pavement markings. The milling and paving operations are expected to be performed at night between the hours of 7pm and 7am. The remaining work will take place during the hours of 7 a.m. to 5 p.m. The asphalt resurfacing project is expected to complete by the end of June 2023.

Should there be any questions, please contact the City of Cleveland's Construction Inspector, Chris Kotabish at 216-857-1347.

***Editor's Note:** Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of workers is a top priority.*
