FOR IMMEDIATE RELEASE:

December 15, 2022

**Cleveland Tree Damaged Sidewalk Program
Various Streets throughout the City
Begins the Week of December 19, 2022
Wards 3, 5, 10, 14 & 15**

Expect additional traffic notices as work progresses

CLEVELAND – During the week of December 19, 2022, the City will begin sidewalk repair work, on various streets throughout the City, as part of Tree Damaged Sidewalk (TDS) Program. Each location where the program will be implemented will receive notification of the work by placing door hangers before the work is scheduled to begin.

During the work, traffic and pedestrian access may be temporarily restricted or delayed due to the contractor's operations. Two-way traffic will be maintained. Pedestrian traffic may be limited to one side of the street.

Motorist should be alert for traffic signage and flaggers used to direct traffic at the designated sidewalk repair work sites.

This project repairs sidewalk locations on City streets which have been damaged by City tree roots and are limited to streets which have been recently resurfaced through the City's Residential Resurfacing Program. Residents cannot request to be included in this program.

The improvements include sidewalk removal and replacement (typically 2 – 3 panels), root pruning or the removal of trees, if necessary. If a tree must be removed a new tree will be planted at no charge to the resident.

Should there be any questions, please contact Ms. Patrice Rogers at 216-664-2182.

About the City of Cleveland

The City of Cleveland is committed to improving the quality of life for its residents by strengthening neighborhoods, delivering superior services, embracing diversity and making Cleveland a desirable, safe city in which to live, work, play, and do business.
