This notice updates the Court on the status of the Cleveland Division of Police’s (“CPD”) Training Documentation Plan required by the Updated First-Year Monitoring Plan. Dkt. 80-1 at 11. That Plan will further compliance toward the Consent Decree’s requirement that CPD “implement a system that will allow the Training Section to electronically track, maintain, and produce complete and accurate records of current curricula, lesson plans, training delivered, and other training materials in a centralized electronic file system.” Dkt. 7-1 ¶ 289.

The Parties, CPD, and Monitoring Team continue to work on this Training Documentation Plan in the context of creating an officer curriculum on the updated use of force policies now pending before this Court. *See* Dkt. 83.
