Statement of Hiring Standards

MISSION STATEMENT OF THE CITY OF CLEVELAND

We are committed to improving the quality of life in the City of Cleveland by strengthening our neighborhoods, delivering superior services, embracing the diversity of our citizens, and making Cleveland a desirable, safe city in which to live, work, raise a family, shop, study, play and grow old.

INTRODUCTION

The Cleveland Division of Fire is committed to hiring a diverse workforce, specifically targeting ethical, honest, and moral employees who will treat all citizens with respect, dignity and understanding. The occupation of Fire Fighter carries with it an expectation of a "higher standard" when viewed by the public in general. Specifically, the public expects its Fire Fighters to serve as role models in their moral character and social behavior; they expect Fire Fighters to refrain from acts such as abusive use of alcohol and drugs. In short, the public expects Fire Fighters to stand behind their oath of office and execute their duties in a truthful and conscientious manner.

Although the Cleveland Division of Fire has made every effort to be as thorough as possible in developing these hiring standards, they are not all inclusive. Other factors that do not fall within any of the described categories may be discovered about an applicant through the background investigation which factors may make the applicant an unsuitable choice for employment with the Cleveland Division of Fire. This information shall be fully investigated and brought to the attention of the Director of Public Safety for a recommendation.

STANDARDS FOR DISQUALIFICATION/NON-FAVORABLE CONSIDERATION

(A) CRIMINAL CONDUCT

Commission of criminal acts is directly contrary to the respect for law required of a Fire Fighter. A felony is an automatic disqualifier. The following are those misdemeanor criminal offenses that, except as expressly noted, shall result in disqualification from consideration as a Fire Fighter for the City of Cleveland.

1. Any offense of violence punishable by imprisonment for a term exceeding one year.
2. Any sex offenses including sexual assaults, prostitution, soliciting, obscenities, and matters harmful to juveniles.
3. Any arson related offense.
4. Any serious offense against justice and public administration including obstruction, dereliction, impersonation of Fire Fighter and related offenses.
5. Any serious violation of miscellaneous offenses such as offenses against a human corpse, desecration, and ethnic intimidation.
6. Any single conviction involving operating a motor vehicle while under suspension (4507.02) (B) (1), or leaving the scene of an accident (4549.02) within three years of application.
7. Any single conviction involving operating any vehicle while under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse (4511.19) within three (3) years of application.
8. Any other offenses which resulted in suspension or revocation of driving privileges on two (2) or more occasions, involving the operation of a motor vehicle, within five (5) years of application.

Statement of Hiring Standards, continued

(B) DRIVING RECORD

Respect for traffic laws and regulations, as demonstrated by a safe driving record, is an essential element in determining an applicant's suitability for appointment. Whether an applicant has a safe driving record will be evaluated on a case by case basis taking into consideration the number of violations, if any, the frequency of occurrences, and the type of violations.

The following may disqualify the applicant.

1. A demonstrated pattern of motor vehicle violations. This pattern will be identified by the number of offenses and the time frame involved.
2. Involvement in traffic accidents to the degree that the average person would question the applicant's ability to safely operate a motor vehicle.

(C) JOB HISTORY

A poor employment history may result in disqualification of the applicant for the position of Fire Fighter. This includes a record of insubordination, absenteeism or tardiness, dishonesty, incompetence, or consumption of alcohol in violation of company policy while employed. As a general rule, any conduct on the job which would result in discipline if the applicant were a member of the Cleveland Division of Fire shall be grounds for disqualification.

(D) MILITARY HISTORY

A general or dishonorable discharge may result in disqualification for appointment.

(E) FALSIFICATION/FAILURE TO COOPERATE WITH APPLICATION PROCESS

Any applicant who fails to cooperate with the Cleveland Division of Fire and the City of Cleveland in the processing of his/her application for the position of Fire Fighter shall be eliminated from consideration. This includes failure to provide necessary information, making untrue or misleading statements in connection with the personal history statement or any part of the processing procedure, or the failure to include any information or documents requested by the City or the Division of Fire.

Statement of Hiring Standards, continued

OTHER CONDUCT

Non-favorable consideration may be given to the applicant who has demonstrated a lack of ethics or morality. While not exhaustive, the following list suggests further investigation may be necessary.

1. Abused a position of trust through a theft of time or service.
2. Violating any Ohio ethics law.
3. Engaging in acts of discrimination against persons because of their race, religion, color, sex, sexual orientation, gender identity or expression, national origin, age, disability, ethnic group, or Vietnam-era or disabled veteran status.
4. Demonstrated a pattern of behavior that has had an adverse effect on the everyday life of the applicant, the applicant's neighbors, the applicant's family, or the applicant's associates.
5. Failure to correct behavior of an antisocial nature.
6. Abuse of authority, lack of respect for authority or law, or lack of respect for the dignity and rights of others.
7. Alcohol abuse and/or drug abuse which has impaired the applicant in the pursuit of everyday life, resulting in material problems, employment problems, financial problems, etc.

CONCLUSION

Failure by the applicant to enumerate or disclose any offense or information does not exclude such offense or information for being the basis of disqualification. Any criminal offense, quasi-criminal offense (i.e. municipal ordinance violation), or information discovered through the background investigation, under the proper circumstances, can result in disqualification from employment as a Cleveland Fire Fighter if it is determined that the acts or omissions of the applicant were such as to make it inappropriate for him/her to serve as a Fire Fighter.

The Cleveland Division of Fire, through careful and thorough applicant processing procedures, can ensure the highest quality candidates are employed and retained. These standards for hiring will ensure only those applicants meeting and exceeding the "higher standard" expectations of the public are met. The citizens of Cleveland deserve nothing less.
