

4. Administrative and Alarms (retention of 90 days).
  - a. Start of tour vehicle inspection recordings.
  - b. End of tour vehicle inspection recordings.
  - c. Alarms without citizen contact.

IX. Training

- A. Officers assigned a WCS shall successfully complete training on all WCS directives and instructions (e.g. inspection, start up, use, shutdown, tagging, and upload), before being equipped with a WCS.
- B. All WCS training shall be conducted by the Mobile Support Unit.
- C. The Mobile Support Unit is responsible for identifying areas related to the WCS where additional training, guidance, or potential changes are needed to this order.
- D. Additional and continuous in-service training will be provided to address changes in technology, legal standards, and policies or procedures.
