City of Cleveland & CMSD Release RFQ for Redevelopment of 19 Vacant CMSD Sites

The City of Cleveland and the Cleveland Metropolitan School District (CMSD) have today jointly issued a Request for Qualifications (RFQ) to select real estate development project teams for the redevelopment of 12 vacant school buildings and seven sites of vacant land owned by CMSD.

“These vacant school buildings and vacant land parcels provide opportunities for economic development in neighborhoods across the City of Cleveland,” said Mayor Frank G. Jackson. “The City of Cleveland looks forward to collaborating with the Cleveland Metropolitan School District on repurposing these assets to foster redevelopment and equity in our neighborhoods.”

The intent of the RFQ process is to identify qualified real estate development project teams interested in each site. Teams are invited to submit site-specific redevelopment proposals for consideration by the City and CMSD. Interested developers will be able to participate in an information session and tours of the building to learn more about the sites. The RFQ and selection process will be facilitated by the City of Cleveland.

“When we developed a plan for the future of our programs and facilities in 2019, the Board of Education asked that we also look at the future of our vacant buildings and property. We are excited to be partnering with the City of Cleveland in redeveloping unused properties and turning them into neighborhood assets,” said CMSD CEO Eric Gordon.

The RFQ calls for redevelopment plans to be guided by principles of racial equity and inclusion with respect to neighborhoods and/or include neighborhood wealth-building initiatives.

Calls Regarding COVID-19 Complaints

With the passage by Cleveland City Council of an ordinance authorizing penalties for non-compliance with Mayor Jackson's mask mandate, enforcement is now in effect. There are two numbers Clevelanders should call regarding non-compliance:

This includes mandatory use in bars, restaurants, shared office settings, rideshares and other shared spaces.

Citations may be issued with fines for the following:

- Any business or person violating the mask or safe-seating order (which maintains social distancing of at least six feet between patrons) is subject to civil penalties in accordance with Ordinance No. 556-2020, specifically chapters 602 and 236.
- Any business in the City of Cleveland with an employee who becomes ill with the coronavirus is required to immediately disinfect and sanitize the premises.
