Cleveland Hopkins International Airport Passenger Travel Data

Cleveland Hopkins International Airport (CLE), like other airports worldwide, has had a dramatic drop in air service and travelers due to the COVID-19 pandemic. Concerns over health and safety, as well as quarantines, coupled with many businesses cancelling travel and leisure travelers staying home, have impacted flights.

We are currently averaging 9,199 passengers in the past seven days, compared with the 314 passengers we reported in April 2020. [Click here to view regularly updated numbers on airport travel on the Hopkins website.](#)

City of Cleveland & CMSD Release RFQ for Redevelopment of 19 Vacant CMSD Sites

The City of Cleveland and the Cleveland Metropolitan School District (CMSD) have today jointly issued a Request for Qualifications (RFQ) to select real estate development project teams for the redevelopment of 12 vacant school buildings and seven sites of vacant land owned by CMSD.

“These vacant school buildings and vacant land parcels provide opportunities for economic development in neighborhoods across the City of Cleveland,” said Mayor Frank G. Jackson. “The City of Cleveland looks forward to collaborating with the Cleveland Metropolitan School District on repurposing these assets to foster redevelopment and equity in our neighborhoods.”

The intent of the RFQ process is to identify qualified real estate development project teams interested in each site. Teams are invited to submit site-specific redevelopment proposals for consideration by the City and CMSD. Interested developers will be able to participate in an

information session and tours of the building to learn more about the sites. The RFQ and selection process will be facilitated by the City of Cleveland.

“When we developed a plan for the future of our programs and facilities in 2019, the Board of Education asked that we also look at the future of our vacant buildings and property. We are excited to be partnering with the City of Cleveland in redeveloping unused properties and turning them into neighborhood assets,” said CMSD CEO Eric Gordon.

The RFQ calls for redevelopment plans to be guided by principles of racial equity and inclusion with respect to neighborhoods and/or include neighborhood wealth-building initiatives.

Calls Regarding COVID-19 Complaints

With the passage by Cleveland City Council of an ordinance authorizing penalties for non-compliance with Mayor Jackson’s mask mandate, enforcement is now in effect. There are two numbers Clevelanders should call regarding non-compliance:

- **Business complaints:** CDPH hotline at (216) 857-7165
- **Individual or private residence complaints:** Cleveland Police non-emergency line at (216) 621-1234

Cleveland City Council recently approved the mandatory use of masks in public spaces as well as certain penalties for individuals and businesses that do not comply. On July 3, Mayor Jackson signed

an amended order mandating the use of masks in public in the City of Cleveland to slow the spread of the highly contagious coronavirus. This includes mandatory use in bars, restaurants, shared office settings, rideshares and other shared spaces.

Citations may be issued with fines for the following:

- Any business or person violating the mask or safe-seating order (which maintains social distancing of at least six feet between patrons) is subject to civil penalties in accordance with Ordinance No. 556-2020, specifically chapters 602 and 236.
- Any business in the City of Cleveland with an employee who becomes ill with the coronavirus is required to immediately disinfect and sanitize the premises. Following a warning, they may be subject to a civil penalty of \$1,000 for the first offense and a civil penalty of \$3,000 for each subsequent violation.
