**Alcohol and Safety** - Open containers, consumption of alcohol and public intoxication are all prohibited in the Muni Lot. If you plan to consume alcohol during any sporting event always ensure you have a designated driver. Please exercise caution at all times and if you see something, please say something.

**Sanitation** - There will be 50 portable restrooms, 75 trash cans and 3 dumpsters in the Muni lot during all regular season games. Private latrines are strictly prohibited. Please make sure all trash is disposed of properly before you leave any lot.

**Parking** – Parking restrictions are put in place in downtown Cleveland for each Browns home football game – typically for three hours before each game and until two hours after the game’s completion. Look for bright neon signs attached to posts, poles and parking meters in those areas affected by the restrictions. Violators will be ticketed and towed if parked in violation. All associated fines and fees to have an automobile released must be done at the One Stop Vehicle Impound Center located at 3040 Quigley Road.

**Willard Parking Garage** - Beginning with this Thursday’s home game at 8:00 PM and continuing throughout all Cleveland Browns home games in the 2015 season, the City of Cleveland’s Willard Parking Garage will reserve the majority of available spaces for Cleveland Browns season ticket holders and team employees on all game days. Approximately 400 spaces will be available for general purchase on game days and the remainder will be reserved. Additionally, these limited parking spaces for general purchase will not be made available until two hours before game time. The City has identified 780 spaces at Burke Lakefront Airport as an alternative for these traditional Willard Garage customers.
