The City of Cleveland Provides Updates on West Side Market (WSM)

Work at the WSM continues despite the unexpected challenges presented in 2020 as a result of the COVID-19 pandemic.

In early April, amid increasing cases of coronavirus, the City of Cleveland deferred April, May and June rent payments for WSM tenants. In an effort to help further mitigate tenants' financial hardship during the pandemic, the City ultimately forgave the rent for those same three months.

During this time, the tenants worked with the city to offer phone/online orders with curbside pickup to provide an added convenience to customers.

The City of Cleveland has met with a strategic consultant and is in the process of finalizing the contract. Currently, a new vendor booth prototype is under construction, new arcade doors are expected to be installed in 2021 and bids to conduct electrical upgrades, and design a new meat preparation room are also expected.
