Welcome!

Dear Clevelanders,

The City of Cleveland welcomes you back to Neighborhood Resource and Recreation Centers (NRRCs) for the Spring season. We have some new programming that we know will make an impact for our residents.

Our goal is to ensure NRRCs are safe, so please refer to the guidelines included in this brochure when you are visiting your NRRC. We have made significant strides in slowing the spread of coronavirus in the City of Cleveland, and as we return to some of the activities that make life routine, we should continue to be cautious in order to make further progress.

It is important that our residents have access to resources and programming that strengthen themselves and our neighborhoods. Our Spring programming will continue to allow us to address the root causes of violence and toxic stress by promoting wellness and resiliency. Not only will we be providing our traditional sports and recreational activities, but we have also implemented educational options, career preparation, and more.

We look forward to seeing you at your local Neighborhood Resource and Recreation Center.

Frank G. Jackson
Mayor, City of Cleveland

Mission Statement
We are committed to improving the quality of life in the City of Cleveland by strengthening our neighborhoods, delivering superior services, embracing the diversity of our citizens, and making Cleveland a desirable, safe city in which to live, work, raise a family, shop, study, play and grow old.
Welcome!

The City of Cleveland’s Neighborhood Resource and Recreation Centers (NRRCs) offer programs beyond traditional sports and recreational activities that provide our residents—especially our youth and young adults—with access to an array of programs and opportunities that will strengthen our neighborhoods as a whole. This is a critical component of the Mayor’s efforts to improve the quality of life for City of Cleveland residents.

In this guide, you'll see offerings that demonstrate a greater focus on providing residents with access to resources to holistically better themselves and, as a result, their neighborhoods. Whether that is by exposing youth to performing arts or teens to post-secondary education options or helping the formerly incarcerated with career counseling, this marks a big shift in the mission and function of our recreation centers.

We hope to see you soon at your local Neighborhood Resource and Recreation Center!

Sincerely,

Tracy Martin-Thompson | Chief
Michael E. Cox | Director
Who We Are

The City of Cleveland has demonstrated a long-term commitment to the City of Cleveland residents, working to create safe spaces in our Neighborhood Resource and Recreation Centers (NRRCs) where families can access free resources and support services. We are committed to working together, with families and other community providers, to identify and help families who are struggling to achieve a better quality of life.

What We Provide

Cleveland Neighborhood Resource and Recreation Center staff and the Support Service Specialists work together to identify the resources necessary to meet the needs of Cleveland’s families. Support Service Specialists can connect families to the appropriate service providers to address health management, employment opportunities, youth development and education issues, mental health issues and public entitlements. Support Service Specialists work with families to provide crisis intervention, short term support counseling and other services. They can provide support and guide youth on personal matters.

Support Services Provided

Connecting and referring individuals to appropriate services
- Medical/hospital-related
- Long Term counseling
- Public Assistance

Advocates on behalf of families for public entitlements
- Veteran’s benefits
- Social Security
- Medicare/Medicaid
- Food Stamps
- Housing Assistance
- Head Start
- Student Loans

Support and guidance to youth
- Stigmatization
- Scapegoating
- Labeling
- Bullying
- Substance abuse
- Unhealthy relationships

Services provided for youth, adults and seniors.

Due to COVID-19, some services may be restricted.

Health and Safety Measures for NRRC Guests

Dear City of Cleveland Residents,

As you are aware, COVID-19 has presented unique challenges to the health and well-being of people around the world. Social distancing and other health and safety practices have been prescribed by the Centers for Disease Control (CDC) and other medical experts in an effort to minimize the spread of the virus. Scientific evidence demonstrates that these practices have proven successful in curtailing the impact of the virus.

In light of the current environment, the City has established new health and safety guidelines for our NRRCs in an effort to ensure the health and well-being of all of our guests and staff members. Please be certain to carefully review the New Health and Safety Measures for NRRC Guests section of the guide.

If you have any questions pertaining to these changes, please contact your local NRRC for more information.
New Health and Safety Measures for NRRC Guests

As a part of our efforts to ensure the health and safety of all of our guests, the following health and safety measures have been established. All guests are required to adhere to the new guidelines. Guests that refuse to comply with the new guidelines will be prohibited from entering or remaining in the facility.

- Any guest experiencing COVID-19 symptoms should remain home and contact your health care provider for guidance and direction. COVID-19 symptoms include: cough, shortness of breath or difficulty breathing; or at least two (2) of the following: fever, chills, repeated shaking with chills, muscle pain, headache, sore throat, loss of taste or smell.

- All guests will be required to wear a mask or facial covering. Facial coverings are required to be worn at all times except during active programming such as basketball, baseball, swimming, etc. Guests will be required to secure their own masks.

- Guests are asked to wash their hands often using soap and water for twenty (20) seconds. If soap and water are not readily available, use hand sanitizer. For your convenience, we’ve added several hand sanitizer stations in each NRRC.

- Guests will be required to adhere to social distancing guidelines, remaining 6ft. apart. All individuals must avoid physical contact with others including high fives, huddles or any other close contact occurring before, during and after all activities.

- Guests must sign up or register to participate in all NRRC programs. Guests will not be allowed in any NRRC unless they have signed up or have registered for a scheduled program/activity. See guidelines for the registration and sign-up process on the last page of this guide.

- Guests will be allowed entrance into the NRRCs only 15-minutes prior to their program/activity start time.

- Admittance to the pool area will be granted on a first come first served basis. However, in observance of social distancing and mass gathering guidelines, the number of individuals allowed in the pool/pool area at any given time will be limited.

- Locker rooms will only be available to guests using the indoor pools. Showers will not be available for public use.

- In an effort to minimize the spread of the virus, guests will no longer be allowed to input their participant number into the PEAK system using the keypad. The front desk staff member will be required to sign in each guest.

Again, please note that these new guidelines and policies were developed in an effort to keep all of our guests and employees safe. All of the NRRCs’ new guidelines and policies are based on the CDC and the Ohio Department of Health COVID-19 health and safety measures that were prescribed in an effort to minimize the spread of the virus.

We appreciate your patience and understanding. Again, if you have any questions and/or concerns pertaining to the changes noted above, please contact your local NRRC for further guidance and information.
Program Offerings Overview

In an effort to offer high-quality, interactive programming during the COVID-19 pandemic, the City of Cleveland's Mayor's Office of Prevention, Intervention and Opportunity for Youth and Young Adults (PIOYYA) and the Division of Recreation have designed a new model for the delivery of program offerings that include virtual programming and limited in-person 10-week programs and activities available in NRRCs. All programs and activities center around six (6) areas: Youth and Adult Education; Job and Career Readiness; Health and Wellness; Youth Leadership Development, Mentorship and Community Service; the Arts; and Sports and Recreation. In addition, each NRRC will continue to offer traditional daily programs and activities.

▶ Virtual Programs

The City of Cleveland will offer a variety of free virtual programs for City of Cleveland residents ages 5 and above. The City will use Zoom for most program offerings. Virtual programming provides residents an opportunity to engage in live, interactive programs from the safety and comfort of their homes. See the Virtual Programs section of this brochure for more information about the programs available.

Individuals interested in participating in one or more of the City's virtual programs, must register in order to be provided access. Please be advised that each program can only accommodate a limited number of participants, so registration is required. See the Registration Process section of the brochure for information pertaining to the registration process.

Please note: A parent or guardian must be present during virtual programming if a child under the age of 13 is a program participant.

▶ In-Person Programs

The City of Cleveland will offer a variety of free in-person classes that will be hosted at several NRRCs for residents ages 5 and up. However, due to COVID-19, the number of in-person programming will be limited to allow for social distancing and to ensure adherence to mass gathering guidelines prescribed by the CDC and the Ohio Department of Health.

Please note that these NRRC programs are designed to assist each participant in achieving his/her potential. These classes are progressive, so each class builds upon the previous class session. Participants will use the knowledge and skills they gain in each class session to further their development. In order to get the maximum benefit from these programs, registrants are strongly advised and encouraged to attend each class session. See the In-Person 10-Week Programs/Classes section of this brochure for information about programs available.

Individuals interested in participating in one or more of the City's 10-week in-person programs must register in order to be provided access. Please be advised that each program can only accommodate a limited number of participants, so registration is required. See the Registration Process section of the brochure for information pertaining to the registration process.

Please note: Children under the age of 8 must be accompanied by an adult.

▶ Daily NRRC Programs and Activities (i.e. Arts and Crafts, Weight Training, Fitness, Baseball/Basketball Skills etc.):

The City of Cleveland's NRRCs offer several free daily activities and access to program rooms for residents ages 8 and up. For a complete list of the daily programs and activities available at your NRRC, please contact your NRRC directly.

Important Change: Please be advised that, due to COVID-19, all participants must sign up to participate in one or more of your local NRRC's daily programs and/or to have access to the activity rooms. The maximum number of guests allowed in an activity room or an area in which a program is taking place will be limited in order to adhere to social distancing and mass gathering guidelines prescribed by the CDC and the Ohio Department of Health. In order to accommodate as many guests as possible, time limits have been determined for each daily program and activity. Please see the Registration Process section of the brochure for more information on how to sign up for NRRCs' daily programs and activities.

Virtual Education Programs

- ACT/SAT Prep
- Aspire ESL, Aspire GED
- College and Career Exploration
- IConnect (Using Computers/Ipads)
- Reach Success (Tutoring)
- Sylvan Learning ACE It! (Reading and Math Intervention)
**VIRTUAL EDUCATION PROGRAMS**

**Reach Success (Homework Help, Personal Success Coaching)**  
*(Reach Success, Inc.)*

Youth will receive tutoring based on their individual needs for current homework and any testing challenges. Reach Success will administer learning assessments and address primary personal and educational barriers. Students will engage one with their personal success coach, utilizing individualized learning. Focused attention will be paid to 504 plans or IEP’s. Participants are scheduled by grade levels: K-2, 3-5, 6-8 and 9-12.

Get That Groove On!
(City Music Cleveland)
Do you love music? Have you ever put new words to your favorite songs? Have you ever produced a beat to that song? Have you ever danced to that song? If so, this workshop is for you! Through zoom and virtual technology, you can participate in a weekly songwriting and dance workshop. You will jump into writing your own beats through the FREE APP BandLab, an app that is compatible for both android and IPhone users. You will have the opportunity to choose your own drum sounds, will experiment with various tempi, and create lyrics based off your beat. The final step in your project will be the DANCE JAM, where you will come up with dances to match your beat's style and character. Come and join us via zoom!

Musical Instrument Lessons
(Play It Forward)

Do you love music and want to learn to play a musical instrument? Choose from violin, guitar or percussion (drums) lessons. Small group lessons include one day a week for 90 minutes of direct instruction and a second day of 90 minutes for guided practice. Musicians who complete the seasonal session of lessons get to keep their instrument! This program begins the week of March 22, 2021 and ends the week of May 28, 2021. Please register at https://arts-inspiredlearning.org/play-it-forward-spring-2021/

Registration Process

Registration for Virtual Programs:

- To register for virtual programs, please complete the online registration form at www.clevelandohio.gov/NRRCreg and submit electronically.
- Each registrant will receive a letter within 48 hours confirming their seat in the program, the date and time of the program and instructions regarding login and password.
- The confirmation letter will include the participant Code of Conduct Policy and Consent and Waiver form that must be signed and returned. The Consent and Waiver form may be returned one of the following ways:
  - Sign, scan and email to NRRC_Registration@clevelandohio.gov,
  - Sign, take a picture and email to NRRC_Registration@clevelandohio.gov, or
  - Sign and return to your local NRRC
- A waiting list will be kept for any program where the enrollment exceeds the maximum number of participants allowed.
- A participant who registers for a program and does not participate on the first day will be dropped from the program and the next person on the waiting list will be added unless prior arrangements have been made.
- Participants will be replaced after the first absence unless prior arrangements have been made with the instructor.

The Spring 2021 Programs Guide is available online at www.clevelandohio.gov/NRRCactivities.

If you experience a problem connecting to the site or have questions regarding program offerings, please call Sherry Ulery at (216) 664-2241 or email NRRC_Registration@clevelandohio.gov.

Registration for In-Person Programs:

Guests may register for the in-person 10-week program sessions described in the guide in one of three ways:

1. Registrants can complete the registration form online and submit electronically. The online registration form can be located at www.clevelandohio.gov/NRRCreg.
2. Registrants may go to their local NRRC to pick up a paper copy of the registration form and submit it to one of the NRRC staff.
3. Registrants may call the center between the hours of 2 p.m. – 5 p.m. and register by phone.

Registrants will receive a letter via email within 48 hours confirming their seat in the program, as well as the date, time and location of the class. Registrants who do not have an email address will receive a phone call to confirm their registration.

- A waiting list will be kept for any program where the enrollment exceeds the maximum number of participants allowed.
- A participant who registers for a program and does not show up on the first day will be dropped from the program and the next person on the waiting list will be added.
- Participants will be replaced after the first absence unless prior arrangements have been made with the instructor.

If you have any questions pertaining to the in-person 10-week programs or the registration process, please call Sherry Ulery at (216) 664-2241 or email NRRC_registration@clevelandohio.gov.
Sign-Up Process for Daily NRRC Programs and Activities (i.e. Arts and Crafts, Weight Training, Fitness, Baseball/Basketball Skills, Computer Lab, etc.):

To reserve a time to participate in one or more of your local NRRC’s daily program offerings or to gain access to an activity room, City of Cleveland residents may stop by their local NRRC to sign up in person or call their area NRRC to sign up by phone.

Please note the following:

• Due to COVID-19, the maximum number of guests allowed in an activity room or an area in which a program is taking place, will be limited in order to adhere to social distancing and mass gathering guidelines prescribed by the CDC and the Ohio Department of Health. In order to ensure each NRRC is able to accommodate as many guests as possible each day, a time limit for each program/activity has been determined, and must be adhered to.

• Guests may sign up for a maximum of (3) programs and/or activity rooms each week (5 days–Monday through Friday).

• In order to ensure all guests have fair access to daily NRRC programs and activity rooms, guests will not be allowed to sign up for programs/activities beyond a 5-day period.

• The sign-up period each week will begin the Thursday prior to the start of the week. Example: If the beginning of the 5-day week begins on Monday, September 7th, then the sign-up period for the week of September 7th begins on Thursday, September 3rd. The sign-up period will remain open until all time slots are filled.
